Dear Mr. Moody:

Re: Committee for Reprinting Out-  
of-Print Issues of Buletins.

Thank you for your nice letter of May 14, 1957. In reply I shall be glad to continue to serve on the committee for Reprinting of Out-of-Print issues of Bulletins as requested by our good friend Bob Dott, but with one provision, i.e., that he use my home address exclusively for all future mail. In explanation of this request, I am leaving the University for a very unusual, hand-tailored, very desirable position with one of the local oil companies to do Tertiary stratigraphic work. My home address is going to be the best to use under these circumstances.

Sincerely yours,

H. B. Stenzel
