Dr. H.B. Stenzel
Visiting Professor of Geology
Louisiana State University
Baton Rouge, Louisiana 70803

Dear Dr. Stenzel:

Under separate cover I am shipping you several shells of Crassostrea margaritacea. These were sent to me from South Africa last week. The majority of them are living and I planned to start crossing experiments within several weeks and shall let you know the results. Perhaps you already have this species in your collection.

Sincerely yours,

R.W. Menzel
Associate Professor
