Dear Mr.Bennett,

I have just heard that the edition of the Pylos tablet has already appeared. I do not know whether it is true, because news came to me from a colleague of mine who spent a few days in Paris and said to have seen a copy of it, but he is not very well acquainted with such a theme, so he may be wrong. If the edition has really appeared, I wonder whether you might let me have a review-copy for MINOS, which should be, of course, ~~be~~ sent to my present Zurich address: Universitätsstrasse 63, or c/o University of Zurich, Phil.Fakultät I, as you like. If it would be impossible to get me a review-copy, would you please be so kind as to let me have a full indication of the exact title, price and publisher's address as soon as you can? I am looking forward to hear something from you on this very important matter. Minos' 1st issue has not yet appeared. You will get it as soon as ready. May I seize this opportunity to ask you whether you would be willing to send some contribution of yours, even a short one, to the second issue? I should be delighted if you would.

Meanwhile, with best regards, I remain, dear Mr.Bennett,

Yours very truly,
