OCEANOGRAPHY AND METEOROLOGY

February 13, 1964

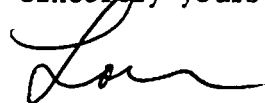

Dr. H. B. Stenzel  
Shell Development Company  
P. O. Box 481  
Houston 1, Texas

Dear Dr. Stenzel:

I have borrowed from the biology group of this Department two specimens of Ostrea frons, which I am forwarding to you by separate mail. These were obtained from offshore platforms off Panama City, Florida.

I am sorry that the Institute of Marine Science was not more liberal with the specimen I left in their care.

Sincerely yours,

Louis S. Kornicker
