Dear Professor Bennett:

Thank you for your letter of 8 August 1958.

I do understand the many considerations you enumerate which would make it difficult for you to give a paper at our Nashville meeting, but, if you do find by the middle of September that it would be possible for you to come, by all means let me know.

My address until 11 September will be that of the typed letter-head; from 13 September, it will be

Box #3001, University Station  
Charlottesville, Virginia

Sincerely yours,

*Arthur F. Stocker*
