

4/5/40 - No.1.

The War Office states:-

There is no foundation for the statement that the Norwegian Commander-in-Chief was not informed of the Allied decision to evacuate the Trondhjem area, or that he is negotiating an armistice.

The Commander-in-Chief of the Norwegian Army and his staff embarked on a British man-of-war on the night of 1st/2nd May, 1940.

SUPPLEMENT TO ISSUE No.1 OF TODAY'S DATE.

The Norwegian Commander-in-Chief has been conveyed to an undisclosed destination in Norway, and any Norwegian order of the day announcing negotiations for an armistice was obviously made without his authority.

L.S.O. - No. 6

NEW PARLIAMENTARY PRIVATE SECRETARY.

Mr. A.T. Lennox Boyd, M.P., Parliamentary Secretary to the Ministry of Food, has appointed Mr. L.R. Pym, M.P., to be his Parliamentary Private Secretary.

MINISTRY OF FOOD.

4/5/40 - No. 7.

Joint announcement by the Agricultural Departments
and the Ministry of Food.

WHEAT QUOTA PAYMENTS.

As a war-time measure the Ministers concerned with the Wheat Acts have suspended from 5th May, 1940, the liability of millers and importers of flour to make quota payments (at present 3/6d. per sack of flour) to the Wheat Commission. These payments have provided the funds from which the Wheat Commission make deficiency payments to wheat growers when the price of wheat falls below the standard price (at present 49/6d. per quarter). As a set-off against this reduction in the cost of flour, the Minister of Food has by Order raised the "appropriate price" for national straight run flour as from 5th May to 25/6d. per sack instead of 22/-d. per sack to which latter price the quota payment used to be added. Thus no alteration will be made to the cost of flour delivered by millers and Port Area Grain Committees, and the price of bread will not be affected.

The funds from which wheat deficiency payments will be made by the Wheat Commission to wheat growers will in future be provided by the Ministry of Food, in accordance with the provisions of the Agriculture (Miscellaneous War Provisions) Act, 1940.

Effect is given to these changes by an Order dated 1st May, 1940, amending the Flour (Prices) Order, 1940.
