**Mr. Michael W. Beckman
Bryan 208A 33rd East Street
College Station, Texas**

Dear Mike:

I am sorry not to be able to come to Bryan this year. There is so much to do to get a few manuscripts out of the way before the year is over. I appreciate very much your invitation. When I am working in Houston County, it will be easy for me to fit in several visits to Bryan.

With many regrets,

Sincerely yours,

H. B. Stensel, Geologist
