

December 27, 1935

Dr. Pedro J. Bermudez
34 Mellan Street
Cambridge, Mass.

My dear Dr. Bermudez:

I have at hand your Foraminiferos de la
Costa Norte de Cuba, for which I am very grateful. Needless to state
I have pursued it with a great deal of interest and have found it both
highly informative and instructive.

Allow me to thank you again for your courtesy
in sending me this article.

I am

Most sincerely yours,

H. B. Stenzel
