London, S.W.7,
England

4 March 1963

Dr. H.B. Stenzel,
P.O. Box 481,
Houston 1,
Texas, U.S.A.

Dear Dr. Stenzel,

Thank you for your application of 8 January for the rejection of Drepanites and Drepanites striatus Bennett as nomina oblita. Your application will not be immediately published, as it is anticipated that Article 23b will be revised at the Washington Congress next August. In its present wording, the meaning of this Article is not very clear.

Yours sincerely,

Margaret Spillane.

Margaret Spillane
Scientific Assistant
