OFFICE OF THE SECRETARY

December 2, 1960

Mr. Henryk B. Stenzel

Houston 27, Texas

Dear Mr. Stenzel:

The Council of the Geological Society has voted to release from the obligation to submit a manuscript, all recipients of Penrose grants dating from more than five years ago.

According to our records, you are one of those affected by this action. Although a manuscript is no longer expected from you, you are free to submit one at any time on the subject of your Penrose-grant research for publication by the Society. Any such manuscript will receive the same type of consideration given all manuscripts offered to the Society.

Sincerely yours,

*Frederick Betz, Jr.*
