COMPLETE PLANS FOR ORGANIZATION FOR ANNIVERSARY

Members of Publicity and Advertising Committees Have Commenced Work

MANY ORIGINAL FEATURES

Three-Ring Varsity Circus, Banquets, Parades and Balls in Celebration

From the attendance at the first general meeting of division leaders held Thursday, the Fortieth Anniversary Celebration will mark a bright spot in the history of the University. Of the approximate hundred members of the executive committee there were only a few who were absent and unaccounted for.

In the general organization there are eighteen divisions, with each division having charge of some specific phase of the work. The Publicity and Advertising committee, one of the most important of these divisions, has practically completed its organization. The Publicity Committee consists of the following: Albert Beiter, Maurice Crain, Anne Dennis, Harry E. Moore and Clyde Watkins. The advisors to this committee are Paul J. Thompson, chairman, a professor in the Department of Journalism; Lloyd J. Gregory, an instructor in the Department of Journalism and a correspondent to many of the newspapers of the State; Henry C. Fulcher, the managing editor of the Daily Texan and W. D. Hornaday, the director of publicity of the University. This latter committee will be assisted by Bill Murphree and J. D. Sugg. These committees will, of course, have the support of the Daily Texan, the Longhorn, the Alcalde and all other University publications, and many of the prominent newspapers of the State have promised a whole-hearted co-operation.

"Dads and Mothers Day"
There will be a "Dads and Mothers Day" for the purpose of allowing the parents to become better acquainted with the University and its work, and a letter will be sent to every home that is represented in the University, extending a personal invitation to each mother and dad.

Anniversary General Celebration
The anniversary will also be characterized by a general "home-coming" of the ex-students; a three-ring Varsity Circus; an exposition, showing the work of the University and the museums, relics, collections and libraries; receptions and banquets; parades, balls and musical extravaganzas; style shows; magnificent ceremonies incident to the crowning of the Queen of Varsity; original stunts by ex-students; and innumerable other attractions. The celebration will take place on May 10, 11 and 12. It is pointed out by the committee that the unstinted co-operation of the entire student body is necessary in order to make this Fortieth Anniversary Celebration one of the greatest things in the entire history of the University.

TRUCK HITS WAGON
While University students were hurrying to lunch Saturday, considerable excitement was caused by a collision between a truck driven by J. F. Reeves, of Austin and a wagon owned by C. P. Mercer of the Bull Creek community. Witnesses of the accident reported that the driver of the truck attempted to pass between a street car and the wagon and finding that he could not pass between them was not able to stop his car in time to avoid the accident. The driver of the wagon was thrown into the air, but escaped with only minor bruises.

Y. W. C. A. CABINETS MEET
Y. W. C. A. Cabinet Council of Westmoreland, Southwestern, Rice San Marcos is being held in Austin this week-end. The representatives are guests of the University Y. W. C. A. Cabinet. Programs and conferences are being conducted by Miss Lucy Y. Riggs and Miss Holmquist, national Y. W. C. A. secretaries.

Varsity's New Football Mentor

DOC E. J. STEWART

Doc E. J. Stewart, formerly head coach of Clemson College, South Carolina, will report in Austin about March 26 to take charge of the spring training for football. This is the first authentically published picture of the new head coach.

DISCH SIGNS FOR SERIES AGAINST AUSTIN RANGERS

Games Will Be Played at Veterans' Park Beginning March 19

Coach Disch yesterday made arrangements with the Rangers, Austin's Texas Association club, to play them a three game series beginning Monday, March 19. After these games are over the Longhorns will get a one-day lay-off before tackling the Houston club of the Texas League, which will be in Austin Friday and Saturday, March 23 and 24.

Pitcher Still Problem
This arrangement will give the fans five ball games in one week and will provide as severe a test for the Varsity team as could well be asked. During the Conference season most of the series are of two games each and two pitchers that are right may well do most of the pitching for the entire season. In this week, however, the games come too fast for this sort of stuff and at least four pitchers will be used; and pitching is the thing that is still worrying fans here in spite of the fact that the men called on to do the hurling in the recent San Antonio games acquitted themselves much better than was expected.

Pitchers is Problem
McCalla and Clements pitched wonderful ball; but there is no use branding them as wonders on the strength of a showing against a team that had not had time to get its batting eye adjusted to curve balls.

INTER-FRAT BASEBALL NEXT
Inter-fraternity baseball will occupy the card of the University beginning Monday, March 26, according to the schedule posted yesterday by Director B. M. Whitaker. The group has been divided into four leagues, in which games will be played until April 23. The championship of the fraternities will be determined on May 2.

WHAREY ELECTED PHI BETA
Dr. J. B. Wharey has recently been elected a member of Phi Beta Kappa society, which is now being installed at Davidson College, where Dr. Wharey was graduated. When it was decided to install the society twenty-five of the best qualified alumni were selected as members also.

Public Readings Will Be Resumed In Spring Term

Although plans are not definite as yet as to the schedule for the public readings through the spring term, it was announced that these readings will be continued as before, each Thursday afternoon throughout the year.

The first reading, to be held on the first Thursday after the end of final examinations, will probably be given by Miles Handley of the English Department from the works of Vachel Lindsay. Sometime during the term a reading will be given by Dr. R. A. Law from Joel Chandler Harris' "Uncle Remus." Also G. F. Evans and Harvey Eagleston will have charge of a reading some time during the term.

Section Ten Victor in Intersection Basketball Contest

Holding their opponents to a scoreless slate in the first half, section ten defeated team seven, yesterday afternoon, fourteen to four, thereby winning the championship in the physical training intersection basketball contest. The game was refereed by W. E. Glaze and was held in the Men's Gym.

In the first half, the winners had everything their own way. Cobb distinguished himself by putting in three field goals, and was ably seconded by Thomason who gained three points. The period ended with a score of nine to nothing in the winners favor. The losers opened the second half with a rush and in a few minutes, Marr had shot two baskets, gaining the only four points the team scored. Then their opponents rallied and Thomason scored six more points, leaving the final score fourteen to four.

The lineup of the champions is as follows: Thomason, center; Whitaker, forward; Dow, forward; Cobb and Mays, guards. This team counts on its slate victories over sections two, eight and six, besides the team defeated yesterday.

COLUMBIA GETS NEW COACH FOR FOOTBALL

Special to The Texan
New York, March 10.—Percy D. Houghten, inventor of the famous "Houghten system" and for nine years head coach at Harvard University, today signed a three-year contract to coach the football team of Columbia University, succeeding Buck O'Neal, who has retired from the profession. The amount of the salary was not named.

PLEDGES TO FRIENDSHIP FUND ARE PAID SLOWLY

Pledges to the Student Friendship Fund are being redeemed very slowly. \$1200 was pledged during the campaign held recently. At first students were asked to send the money by mail, but as only \$150 was sent, boxes were placed in all the buildings for the contributors to put their money in. About \$250 has been received in this way, making \$400 or only one-third of the amount pledged. No definite way has yet been decided upon to make the large per cent of laggards pay up. As all the students connected with the collecting of this fund are very busy, there will probably be no personal dunning.

DANIEL FUND DRIVE TO BEGIN SUNDAY MORNING

Beginning the campaign Sunday, March 11, the University Methodist students will put on a drive for funds for the Daniel Fund, which goes to the support of the Passo Fundo Mission, a Brazilian school. Every year the Methodist students undertake to raise a sum of seven thousand five hundred dollars as a budget for carrying on the South American mission.

This year an organization of ten or fifteen teams is being worked out by which the directors of the drive expect to reach all the men and women on the campus.

Band And Glee Club Will Make Long Trips Next Term

Two of the leading University musical organizations will leave Austin on Monday, March 19, for extended tours of the state, advertising the school in all the stops made. The Glee Club will go direct to San Antonio, and from there to Beeville where the first stop will be made. The Longhorn Band will leave at noon, and play its first concert in Brenham.

SWING THROUGHOUT SOUTH TEXAS FOR BAND

Other stops on the Band itinerary are Galveston, Port Arthur, Orange, Beaumont, Houston, Victoria and Bay City. A company of forty people will make the entire tour, under the supervision of Erwin F. Smith, manager of the organization. The company will return to Austin on Tuesday, March 26, after a nine day trip.

The Band will hold rehearsal this afternoon in the Law Building at 2:30. Director Pharr announced yesterday that the organization would play the entire program that will be offered.

Director Pharr has arranged a program consisting largely in grand opera and solos by the best performers in the band. The organization will appear in Austin after its return from the trip.

TRAVEL TOUR BEING PLANNED FOR SUMMER

For the benefit of students who wish to spend a summer abroad a travel tour is being organized by Mr. Fernan Cattelain of the department of romance languages. Mr. Cattelain and Mr. Warner E. Gettys of the department of sociology will personally conduct the tour.

Italy, England, and France are among the countries to be visited, with stops made at the larger cities. The battlefields of France will also be in the itinerary.

A French study party is being organized in conjunction with the tour for the purpose of study at the University of Besancon. All work done at that university will receive credit in any university in this country.

MANAGERS TO BE CHOSEN

Due to the need of choosing a managerial staff before the arrival of Coach Stewart the latter part of this month, L. Theo. Bellmont, director of athletics has called for applications for the assistant managership to be made to him immediately.

Any male student who will rank as high as a junior next long session is eligible to the office. The application for the office will have to be made in person to Mr. Bellmont.

SUMMER SESSION

National University of Mexico in Mexico City will hold its third summer session in Spanish from July 5 to August 17, 1923. All information regarding this session may be obtained from Professor F. W. Graff in the offices of the President.

GLEE CLUB GOES OUT OF UNITED STATES

Singing for the first time outside the United States, the University Glee Club will appear in Matamoros, Mexico, on March 26, while on its spring tour. The club will leave Austin during the morning of the nineteenth and will appear in Beeville in both afternoon and night performances that day. Corpus Christi will be the host for the University boys the day following.

Beginning Wednesday morning, manager Dick Hittson will lead his proteges through the Rio Grande Valley for four performances at Mission, McAllen, San Benito and Brownsville, where the group will spend the week-end.

The singers will cross the border early Monday morning, and will spend the entire day seeing the neighboring country. The concert at 8 o'clock will close the tour.

SCHUMANN-HEINK TO SING IN MEN'S GYM

Noted Contralto Will Be Presented March 19 by Amateur Choral Club

Madame Schumann-Heink, world's greatest contralto, will appear in the University Men's Gymnasium on March 19, under the auspices of the Amateur Choral Club.

Schumann-Heink is everywhere hailed as being one of the outstanding artists in the singing world. She has been singing for the public for 44 years, and it is her avowed purpose to celebrate her 50th anniversary as a concert and opera singer. Although Madame Heink is not a native born American herself, she is nevertheless quite partial to America and to Americans. She has repeatedly been cited as one of the foremost examples of the modern woman who has been able to be a marked success both in her home and in public life.

An editorial that appeared prior to a recent appearance says: "There may be other singers than Schumann-Heink, but none have the place in the hearts of American music lovers that is occupied by this remarkable woman. Whether warbling a lyric of love, or crooning a mother's lullaby; whether climbing furious clefts in a passionate opera scene or murmuring the more somber notes of despair, misery or disappointment, Schumann-Heink is real-ism."

JUDSON CALLED AWAY

Dr. A. C. Judson has been called to his home in Pasadena, California, where his mother is critically ill.

PUBLIC SCHOOLS WILL BE WITHOUT ADEQUATE FUNDS

Members of Legislature Petition for Two Weeks Rest Before New Session

Since the Senate failed to pass his so-called "quo warranto" bill and several other public school bills, Governor Neff, Saturday morning issued a proclamation, calling the Thirty-eighth Legislature into extra session at 10 o'clock next Thursday morning, the day following the date set by joint resolution for adjournment.

A motion to expunge from the proclamation the references to the action of the senate in regard to Neff's "quo warranto" bill was made by Senator Murphy of Harris county, which precipitated a debate that lasted until the senate adjourned and no action could be taken on the motion.

Petition Neff for Recess
Members of the Legislature yesterday afternoon were hoping that some agreement could be made with Governor Neff so that the Legislature could adjourn the latter part of next week, to be convened about two weeks later. A petition to that effect was being circulated in the House Saturday.

Governor's Message
The governor's message declared that the Legislature had failed to pass "revenue measures providing adequate funds for the proper support of our public schools and eleemosynary institutions for the coming two years" and that "yesterday the Senate had smothered to death a bill providing that the courts of this country be vested with authority to remove, from office an officer against whom it had been proven in open court and before a jury that he had willfully and corruptly failed and refused to enforce the laws of the country."

Purl Bill Passed
The Purl Bill providing for the teaching of the United States and Texas constitutions in all schools supported by public funds was passed finally by a vote of 84 to 17. The bill was introduced at the request of the Hon. R. E. L. Saner of Dallas, chairman of the Americanization committee of the American Bar Association.

District Court Bills Pass
Over the Governor's veto, district court bill was passed by a majority in the House late Saturday. The bill creates the Ninety-seventh Judicial District of Montague and Clay Counties, and reorganizes the Sixteenth and Thirtieth District Courts. The bill was passed by a vote of 78 to 24. Most of the afternoon was spent in debating this bill.

ELKS ENTERTAIN
Elks' entertainer Thursday night with a barbecue and dance at Camp Mabry. The festivities began about 5 o'clock and continued until about 11:30 p. m. Supper, consisting mainly of barbecue and coffee was served to about 1,500 people. Following the barbecue, a dance was given which was characterized by "square dances," and a "jig" by one of the "Old Timers." The music was furnished by Zevery's Orchestra, one of the foremost orchestras of the city.

CALENDAR
Sunday
Morning and evening services at all University churches.
2:30 p. m., Longhorn Band, Law Building.

Editorials

Today's issue is the last Texan for the Winter Term. Regular publication will be resumed with the issue of March 21.

AN AMICABLE SETTLEMENT

The Texan sincerely anticipates that all difficulties and technicalities in regard to the loan of from \$2,500,000 to \$3,000,000 for University permanent improvements will be arranged amicably at the meeting of the Regents and joint Legislative committee which is scheduled for next Tuesday. Since there has been some question raised as to the procedure adopted by the Regents in making tentative arrangements for the loan, it is desirable that all details in the matter be explained fully and clearly to the Legislators at this time.

The University has nothing to conceal and has no desire to play favorites with any individual or group. The sole aim of the Regents is to work for the best interests of the institution. That the Regents have been active in hastening arrangements for the loan merely indicates that they are very anxious to inaugurate immediately the new era of development for the University. As the University has waited for over eleven years for the beginning of a building program, the Regents naturally are desirous of avoiding all further delay.

The Texan is confident that at the conference of Regents and Legislative committee arrangements for the immediate consummation of the loan will be concluded to the mutual satisfaction of all interests and parties involved.

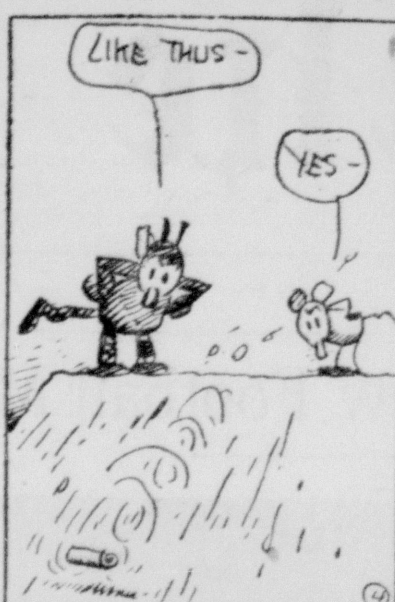

WHEN WINTER COMES—AND PASSES

According to all rules and precedents, the Winter term of the University should be a comparatively dull and uneventful period of the collegiate year; but students may now look back on the past term and view it as probably the busiest and most important period of the year's work. Even the weather, refusing to be monotonous, provided the campus with balmy, summer days in January and, for the sake of variety, ushered in a delightful snow for February.

Most important of all has been the constructive work of the State Legislature which has been in session during the past term. The Legislature especially has distinguished itself by its attitude toward education, as indicated by the grant of aid to rural schools, the establishment of the West Texas Technological College, and the authorization of a loan secured by University lands. An important interlude in the legislative session was the entertainment for the Legislators and newspaper men in the University Cafeteria.

KRAZY KAT

Good head—work

PRICKLY PEARAGRAPHS

Oscar says he's not taking any A. R. T. courses because he could never draw anything but flies.

He: Say, slip on your cloak and let's go to the german.

She: Oh, I can't; it's Lent.

He: Well, borrow your roommate's.

Well, anyway, she certainly had on pretty togs. Somebody must have brought her posies.

We notice that some young feller is advertising for a suit of clothes, some money, a watch and a pair of oxfords that someone has taken by "mistake." Yes, we can sympathize with the poor man; we have a roommate like that, too.

A Freshman's Dream

See the li'l freshie smile,

Tho weightly cares oppress him.

He gets his lessons all the while

And his profs will always bless him.

Our freshman friend is alright. We wouldn't say nothin' against her for the world; but the next time that she promises some feller that she will go canoeing with him on Beck's Lake—Well, we quit.

Upperclassman: Say, Slime, did you go to hear Geraldine Farrar last night?
Fish: Nope, I went to see her.
Recording Angel, aside to St. Peter: A truthful man at last.

EVERY PACKAGE of *Whitman's* is FRESH and PERFECT

We get them direct from the makers.

Never have complaints.

Will gladly replace or refund for any package that does not please in every way.

Winter Festivities Are Past: Swimming Dates to Supplant Formal Dances

FAIRFAX NISBET, Editor

"Broken is the golden bowl, the spirit flown forever." The cup of the Winter Term festivities has been drained to the last drop, and the spirits are cash in the pockets of the bootleggers. Let the bell toll!

The brilliance of costume dances, formal banquets and select dinner parties has passed into history. Spring with her simpler pleasures (ask the lad who paid for the corsage, taxi, and dance assessment about the advisability of this adjective) is to be ushered in with the new term. The trailing evening gown, and jeweled bandeau, and feather fan is to be replaced by the scanty one-piece bathing suit and rubber cap. The Country Club and K. C. Hall, will be supplanted by Barton's, Deep Eddy and old Lake Austin. No more will the porch swing know its former inhabitants, for the canoes will be overhauled for this purpose. The latter takes an artist, but the more hazard the more gain. All hail the return to the simple life!

Delta Sigma Phi Bridge

Delta Sigma Phi fraternity entertained its pledges with a progressive bridge party at the chapter house Friday evening. Twelve pledges and their guests were present. High scores were made by Frances Wells and Jimmie Duncan, and consolations went to Margaret Harper and Bert Halsell. Chaperones were Mrs. J. W. Wells and Mrs. H. W. Harper. Salad, sandwiches and coffee were served.

Those present were: Lavonia Baker, Frances Wells, Clara Currie, Louise Lewis, Margaret Harper, Rachel Summers, Virginia Harper, Grace McNamara, Marjorie Calloway, Eunice Higgins, Elsa Eria, Eusebia Foster, Malcolm McDonald, Jimmie Duncan, John Kennard, Bert Halsell, Henry Pfannkuche, Thurman Kender, Becton Templeton, Joe Reviere, Jno. Trout, Roswell Miller, Lee Loggins, Francis Harvey, Murphy Williams and J. O. Harper.

Phi Mu announces the pledging of Pauline Barrett of Port Arthur.

Susie Taylor, who was a student in the University last year, visited friends on the campus last week-end.

Margaret Mechem has returned from Fort Worth where she was maid of honor to her sister Minnie, Queen of the Southwestern Exparical of Fort Worth.

Dave Stevens is spending the week-end in Fort Worth.

Miles Burton has recovered from his recent illness.

Ura Swann has gone for a few days visit to her home in Jasper.

Ray Willoughby of Brady is a guest at the Phi Delta Theta house.

Lillian Robertson is spending the week-end at her home in Lockhart.

Bettie Jo Svadlenak spent the past week-end at her home in Taylor.

William C. Leve, Eminent Eupreme Recorder of Sigma Alpha Epsilon, is visiting at the Sigma Alpha Epsilon house.

Byron England is recovering from an operation at Seton Infirmary.

Frances Whitaker is ill at Seton Infirmary.

J. A. Rose is spending the week-end in Denton.

Claud N. Geaves of Houston is spending the week-end at the Sigma Nu house.

William Chandler is ill at P. and S. hospital.

Theta Xi announces the pledging of Myrell Donovan of Lampasas.

Willard Marcle has gone to Galveston for the week-end.

Dolores Dore has returned from Houston where she was maid of honor at her sister's wedding.

Bennie Clay and Sam Kemp of San Antonio are visiting at the Phi Gamma Delta house.

Ona Astin is spending the week-end in Bryan.

J. H. Barwise has gone to Bryan for the week-end.

Dorothy McCampbell of San Antonio is ill with influenza.

CHAPEL NOTICE

Mr. Wharton closed his series of very excellent talks on prayer yesterday morning. His theme was "Prayer and the Reign of Law." What is the use of praying if the laws of nature are inexorable? He agreed that prayer cannot change any law of God or nature, which is the same thing, but laws can be combined and applied to the needs of man. God made all laws for the use of man and meant that he should make the best of them possible.

There will be a male quartet at the Monday morning song service and Rev. Dr. Aulick of the University Baptist Church will speak during the week.

THEATRES

THEATER CALENDAR

Texas: Ethel Clayton in "Her Own Money."

Queen: Douglas MacLean in "Bell Boy 13."

Majestic: Betty Compson in "The White Flower."

Hancock: Lon Chaney in "The Trap."

Majestic

Surf-board riding and outrigger-canoeing, favorite sports of the tropics, are no longer mysteries to Betty Compson, the petite Paramount star who went to Hawaii for the purpose of filming her latest picture "The White Flower," which is due for a three days' showing at the Majestic Theatre beginning Monday.

On the famous beach of Waikiki, under the tutelage of native masters of these fine arts, Miss Compson learned to ride the waves with the best of them.

Queen

Douglas MacLean had to prove his nerve as well as his skill as a comedian during the filming of "Bell Boy 13," Thomas H. Ince's latest comedy farce, which is at the Queen today and through Tuesday.

In the role of a young bond broker who turns bell hop when his uncle disinherits him, MacLean pulled several novel stunts that lend thrills as well as laughs to this original farce.

"Bell Boy 13," with its original

story of modern hotel life told from the perspective of a bell hop, and its thrills interspersed with romance, is said to be one of the funniest farces yet produced.

Hancock

Love, hate, revenge, a transition from a simple-hearted child of the open into a wolf in human form with love of a babe his only redeeming trait—these form the motif of one of the greatest motion pictures of the year—"The Trap," which opens at the Hancock tomorrow for a three day engagement.

Lon Chaney, aptly described as "the man of a thousand faces," plays the leading role of Gaspard, a French-Canadian trapper, and it is of interest to note that this Universal-Jewel production marks his advent to the ranks of stardom. "The Trap" is featured also by the truly remarkable work of little five-year-old Stanley Goethals who plays the role of the child whose tiny fingers steal around the heart of the human wolf and slowly brings him back into man's estate.

Texas

Besides presenting one of the most beautiful and talented of Paramount's galaxy of stars, Ethel Clayton in "Her Own Money," which will be shown at the Texas theatre Monday and Tuesday, offers to the public a cast of unusual strength.

The list of supporting players is headed by Warner Baxter, who has the role of Lew Alden in this adaptation of Mark Swan's play. Mr. Baxter was recently won over to the silent drama after a notable record before the footlights.

OFFICIAL NOTICES

NOTICE TO STUDENTS: Attention is called to the following regulations: "Students are required to register (sign up) in person for each term of the session, in 1922-23 as follows: For the spring term on Tuesday, March 20. Those who register after the appointed date will be required to pay a fine of three dollars."

This rule applies to all students, old and new, regular and special. (Exception: Law students are not expected to "sign up" for the spring term.) Its chief purpose is to secure promptness on the part of everybody at the beginning of each term. No excuse whatsoever is accepted.

It does not refer to adding or dropping courses, but to the filling out

All this world is a stage and we must dress our part.

Are you one of the hail-fellow-well-met type who has a lot of friends who also dress well?

You and they should get in touch with this shop if only for appearances' sake.

We've a lot to tell you about the men's wear waiting for you here.

But you'd better come and take a look.

There's always something a man needs in the furnishing line, so your time won't be wasted.

WORK OF CONFERENCE OF DEANS OF WOMEN TOLD BY MISS NEWTON

**Problem of Freshman Girls Is
Being Widely Studied by
Advisors**

"Work among freshman girls was the principal problem discussed at the National Conference of Deans of Women," said Miss Lucy J. Newton who has recently returned from Cleveland, Ohio, where the conference was held, February 25-28. "The work of Miss McDaniels with the first year women on the campus of the University of Texas was especially discussed. Adjustment of the freshman girls is being studied extensively both by the high school deans and by the college and university deans.

"There were five hundred deans of women and about twelve hundred educators present, and it is estimated that these representatives were brought to Cleveland at a cost of about a half a million dollars. The main purpose of the deans over the country is to supervise women's life on the campus and to create standards and public opinions, to work with student government, to build up principles rather than lay down principles."

The conference was held at Hotel Statler and the delegates were entertained by local schools and organizations. A banquet was given on February 28 at which Newton D. Baker, former secretary of war spoke on "International Relationships." The visiting deans were invited to tea at Western Reserve University, and both Miss Newton and Miss McDaniels said that they were very favorably impressed with the university.

MULLER TO SPEAK

Dr. H. J. Muller is to give an illustrated lecture on his European travels before the Houston Philosophical Society next Tuesday night. Dr. Muller, according to Mrs. C. J. Moore, supervisor in the Division of Visual Instruction, will use colored slides especially prepared in the laboratory of the Visual Instruction Division for him. These slides were made from the pictures which Dr. Muller took during his travels in Europe the past summer.

HILDEBRAND SOCIETY MEETS

Discussion of the recent ruling of the Board of Regents in regard to the owning of cars by students is to be the feature of the next meeting of the Hildebrand Law Society. The debate will be on the question of whether John Doe, who had been ordered to dispose of his car, would be able to obtain an injunction prohibiting the enforcement of the order.

Favorite Styles of the Season

FROCKS, formal and semi-formal that one sees swimming across the campus are fashioned of "Crepey" silks—and yet there are many other "fairy fabrics" which are just as popular—taffetas, cantons and paisley mixtures. And they are all so youthful, pert and captivating! You're sure to like them!

THE THREE PIECE COSTUME continues supreme in popularity. And such lovely examples as Snaman is showing—in silks and sports models, as well as the more formal models. The three-piece suits range in prices from \$9.50 and up; while the sports suits are priced at \$34.50 to \$59.50.

CAPE OF COURSE—are smart this season and they may be obtained in all the fabrics the new Spring season demands. They are the Camel's Hair, Spongeen, Eponge, Twills and of the Pile Fabrics, Velours and Canton—and the colors are beautiful. \$16.75 and up.

SNAMAN'S

Exclusive Ladies' Ready-to-wear and Millinery

"A stage where every man must play a part..."

That is what the world meant to Shakespeare, three hundred years ago. He did not create the roles in which he placed his characters, nor did he create the characters—he took them from the life of his own day and from the pages of history.

Human nature remains essentially unchanged, despite the centuries. The character of Shakespeare's plays ring true today, because they reflect, not the thoughts and actions of folk of another planet, but Humanity as it is known to us all.

The convincing quality of the work of the greatest of English dramatists and poets is portrayed by

The Devereux Players

of New York City

Who Will Appear in Austin

March 22 and 23

The task to which they have set themselves is so to interpret the plays of Shakespeare as to reincarnate the full, rich spirit of the Elizabethan Age, and yet link the life of that day with our own.

Their appearance in Austin will mean the event of the season to lovers of good drama. They will present

Romeo and Juliet
Much Ado About Nothing

and, for followers of the modern school
G. Bernard Shaw's

Arms and the Man
