Miss Alice E. Kober
1050 East 43rd St.
Brooklyn 10, N. Y.

Dear Miss Kober:

I was delighted to receive another manuscript from you although I doubt that the Press will be as enthusiastic. I am sure I will want this, but I have been unable as yet to look it over. I have been trying to do some work of my own and our classes are just beginning, but I shall get down to it as soon as I can.

With best regards,

Mary H. Swindler
