Dear Dr. Stenzel:

We are sending you by registered mail the stone with the fossil, of which you received a photograph from us some time ago. We had some X-ray pictures made which did not disclose any thing further. We hope that you will be able to help us in the identification and will be only too glad to give you any additional information which you may deem necessary.

Thanking you for your kind cooperation, I am

Yours sincerely,

W. Bock,
Dept. Geology & Paleontology.
