ENTHUSIASTIC RALLY HELD LAST FRIDAY

INITIAL RALLY WELL ATTENDED
—DR. SCHOCH MAKES A ROUS-
ING SPEECH.

HARRIS IS YELL LEADER

The first football rally of the season was held in the Auditorium on last Friday night, and, in spite of the small numbers, was very enthusiastic. It is almost a disgrace to the institution to have it said that a circus interfered with her football rally, but it is nevertheless true. The only commendable feature as regards numbers was the attendance by the co-eds. They were there in large numbers, and though they refused to respond to an appeal for a cheer by Alf Toombs, they contributed largely to the success of the rally.

After the election of Eugene Harris as chief yell leader, he made a brief talk, thanking the students for the honor, which was conferred upon him for the fourth time, and recommending that in the future the assistant leaders be selected on their merits, and not elected by the departments, as has heretofore been the custom.

Couch Wasmund was then called upon for a speech, and he confined his remarks to the game which was to be played on the following day. He said that it was to be a hard game, and that the team, to be able to win it, would have to have the full support of the student body. He also explained his reasons for secret practice by stating that it was to avoid outsiders from getting on to our tactics. Wasmund is very popular in the University circles, and was roundly applauded.

Kirkpatrick then addressed a few remarks to the students, in which he said that the game was one that would be the hardest of the entire schedule, and that it couldn't be won unless the rooters got behind the team. "Eleven men," he said, "will fight to the end, and as regards spirits, why, we'll have it if you'll have it."

Alf Toombs gave his old familiar talk on the "megaphone," and was accorded hearty applause. Mr. McNeill led the song, "The Faculty is on the Bum," and added several new verses.

Then Manager Stark was called upon. He began his talk by a familiar quotation from Bowie Duncan, "We need the money." After appealing to the students for support in the coming game, Stark concluded his remarks by an appeal for good rooting.

Dr. Schoch made the best address of the evening, and expressed the sentiment of the most of the student body in a few, well-chosen, remarks. Among other things, he said that though we are here primarily for work, we are not here for work alone. The object of the game of football, he said, was not merely to give the eleven men who represent the college exercise, but to serve as some force tending to unite the students, to imbue them with the much-needed college spirit. "Let your work take care of itself," he went on, "if one goes thru college without attending all of the football games, with-

(Continued On Page Four.)

GERMANIA SOCIETY HAS MANY PLANS

OLD MEMBERS OF CLUB ENTHUS-
IASTIC—OFFICERS ELECTED —
COLLECTING GERMAN LIBRARY.

PREPARING FOR PLAY

The Germania held its first regular meeting last Wednesday evening in Room 59 of the Main Building. Almost all of last year's members now in the University, were present, and showed great enthusiasm. No literary program was carried out, but all of the important business was transacted with despatch.

First for consideration was the election of officers for the term. The following men were elected to the offices named: President, F. W. Graff; Vice-President, W. Trenckmann; Honorary President, Dr. E. P. Schoch; Critic, Dr. J. M. Kuehne; Secretary, Carl Runge; Librarian, W. S. Brandenburger; Corresponding Secretary, H. W. Leonards; and Sergeant-at-Arms, A. R. Romberg.

Among the business ventures previously undisposed of was the report of the bibliography committee. This committee, which has been occupied in gathering books relating to Germans in the United States and in Texas, presented a very satisfactory report. Through their efforts, other of the members had secured books dealing with the above-mentioned topics, and these works were tendered the society. The committee was instructed to purchase several very valuable books relating to the same general subject. It cannot be doubted that the Germans have played a great part in the development of our nation and of our State, and as the University Library is not likely to obtain books of this nature, the society has properly seen fit to add such works to its little, but growing library.

A question of more general interest and importance that was met with in the discussion was this year's German Play. Not satisfied with former successes, especially that of the last season, the society has determined to surpass previous records, and therefore the club is early in taking the proper steps in making this season's play an assured success. H. H. Leonards was elected manager of the play, and was instructed to familiarize himself with places throughout the State where a German play would be acceptable. A committee, composed of Dr. S. Primer, W. Trenckmann, and the manager, were given as its task the selection of a suitable play for the current year. In view of these preliminary preparations, the large number of old members, and the many co-eds speaking the German language, the German play to be given in the early part of February, is already an assured success.

Other important committees were appointed by the president, and such business as arose was disposed of. After the members finished a pleasant "chat" with each other, the meeting adjourned.

The Germania will hold its next regular meeting on Wednesday, Oct. 19, at 7:30 p. m., Room 59. At this meeting a good literary program is to be carried out, and all students speaking or interested in German are

METHODIST ELEVEN SUFFERS DEFEAT

KIRKPATRICK'S KICKING WAS EX-
CEPTIONAL—SPOONTS SCORES
TWO TOUCHDOWNS.

TEXAS 11; S. W. U. 6

The football season of 1910 was begun on Clark Field last Saturday, and Captain Kirkpatrick's husky athletes chalked up the first victory under the new rules. Southwestern, although she was the loser, nevertheless played a plucky game and deserves great credit. The game was characterized chiefly by hard playing and slowness—on the part of Southwestern. Kirkpatrick got his plays off in good shape, but Southwestern was exceedingly slow.

In respect to team work, Southwestern clearly outclassed Texas. She tried very few plays other than end runs and mass plays thru the line, which proved highly successful. Texas, on the other hand, used very few line plays and played an open game. The forward pass from the shift formation was particularly successful, and Kirkpatrick and Spoonst distinguished themselves by their work in this department. In the second period a beautiful forward pass executed by these men resulted in a thirty-five yard run and touchdown for Texas. Texas was particularly weak, however, on defense—especially in the line. Time and time again Southwestern's mass plays tore thru for fifteen and twenty yard gains.

Kirkpatrick showed up particularly well in his kicking, and in his forward passing and all-around generalship. Spoonst was another particular star in offense, but Estill outstripped them all. The big boy seemed to be tireless and got into every play. He was, as usual, very fast, and threw the Southwestern backs time after time for big losses.

The game in detail was as follows: Texas won the toss and selected the north end of the field. Headrick kicked to Spoonst, on Texas' twenty-yard line, who advanced twenty. A forward pass, Spoonst to Massingill, went out of bounds. A second one, to James, also failed, and Kirkpatrick punted forty-five yards to McHenry. By a series of straight line bucks, McHenry, Headrick and Voigt advanced the ball 20 yards. McHenry lost one yard on an end run, and Snipes kicked to Kirkpatrick, who returned five yards.

Texas punted to McHenry, who returned twenty yards. Headrick went thru the line for a three-yard gain, Voigt was bumped for no gain, and the ball went to the Orange and the White when Headrick failed to advance it.

Moore failed twice to gain thru the line, and Kirkpatrick kicked to Southwestern's twenty-five yard line. McHenry returned it ten yards, and Southwestern then kicked to the cen-

WOMAN'S COUNCIL HELD FIRST MEETING

PORTRAIT OF MRS. KIRBY TO BE
PRESENTED TO UNIVERSITY —
BUSINESS DISPOSED OF.

OFFICERS ARE ELECTED

A business meeting of the Woman's Council was called last Saturday afternoon, Oct. 7, 1910. The purpose of the meeting was to hear the report of Miss Wanda Orynski concerning the portrait of Mrs. Helen M. Kirby to be presented to the University by the Woman's Council.

The advisory board was completed by electing the representatives from the four classes. The presidency is vacant on account of the failure to return of Miss Bessie Harris.

The board stands at present as follows:

President—
1st Vice-President—Camille Williams.
2nd Vice-President—Sadie Richmond.
Secretary—Louise Johnson.
Treasurer—Jean John.
Faculty Representatives—Mrs. Kirby, Miss Casis.
Graduate Representative—Winnifred Bosche.
Senior Representatives—Mary E. Robinson, Mary Speer.
Junior Representatives — Frankie Cochran, Margaret Williams.
Sophomore Representatives—Anna Doggett, Rowena Barnett.
Freshman Representatives — Mary Kirkland, Mabelle Wallace.
Mrs. Kirby welcomed the new girls and after some minor business discussions, refreshments were served.

Miss Helen Knox, who is now the State secretary of the Y. W. C. A., is spending this week here.

TRACK TEAM TO HAVE TWO FALL MEETS

A. & M., TULANE, AND OTHERS
WILL PARTICIPATE — CHANCES
FOR VICTORY FAIRLY GOOD.

MEETING IN GYM TODAY

Every man interested in track work is urged to report at the gymnasium at 4:30, this afternoon. The object is to get plans under way, and to start training for the two big meets that Texas is to enter this fall, one at Houston, during the No-Tsu-Oh Carnival, on Nov. 15, and the other at San Antonio, during the Fair, on Nov. 19.

The Houston meet of last year is remembered with pleasure by all who attended. This year the meet bids fair to exceed even the great success of last year. The Carnival Committee promised that Daniel Baker, this year coached by Snyder, our old coach, Tulane, A. & M., and the Y. M. G. C., of New Orleans, will all battle against Texas for honors.

The San Antonio Fair committee will pay the expenses of two men from every college in the State for her big meet on the 19th, and Texas is planning to send down a team that can clean up anything offered.

Director Metzenthin desires it announced that all freshmen electing track for physical training must report on Wednesday, and report regularly from that time on.

In training for the meet, Dr. Shud-demagen, and Mr. C. G. Smith will have charge of the runners; Prof. Metzenthin, the weight men, while Captain Joe Estill will direct the field events.

Texas expects to keep up her wonderful record of last year, and again

(Continued On Page Four.)

The more you know about the fine points of tailoring, material and style, the greater will be your appreciation of the new Scarbrough & Hicks Clothing for Fall at \$15 to \$35.

There isn't much of a box effect in the coats, they are more smartly cut than last fall, the collar is higher and the alpaca is more freely rolling. Colors are more subdued, but rich in effect.

Your inspection invited.

Entered as second-class matter at the postoffice at Austin, Texas, under the act of Congress of March 3, 1879.

COME, NOW!

Dr. Schoch, in his address at the Football Rally, entered a vigorous protest against the present-day tendency to suppress inter-collegiate athletics, especially football. He struck the keynote to the situation when he declared that the great and invaluable result of the sport was, not physical perfection in a few, but a united, spirited and loyal body of students—a condition that is necessary if a college is to prosper and progress, and yet a condition that is not the outgrowth of lectures and class-room exercises.

To most of us, the game itself makes the strongest appeal, but to those who must reason as to its merits, the fact that it is a vital and direct force in unifying the student body and in awakening loyalty cannot be denied, and should be alone sufficient to claim their endorsement. Discourage or destroy the sport, and then you may read and re-read the well-known essays on college spirit, but to no avail.

Now, since we have the sport, since you are bound by love of the game or else by reasoning to support it, then align yourself with the loyal supporters of the team and of the college and get in the cheering ranks. Discard that musty record of a near forgotten past for the nonce, be on the side-lines when the whistle blows, and then give vent to that long-suppressed enthusiasm.

INDIANS ANALYZED.

The Redskins are as usual an unknown quantity, but Prof. T. U. Taylor will by mathematical process establish their value and Attorney General Jewel P. Lightfoot will tell us what they can rightfully do, legally disabled as they are, in the Rally Friday night. Haskell has undoubtedly a strong team, and every student should be at the Rally on Friday night to prepare to do our duty in the Cheering Section, Saturday.

Several thousand copies of the Columbia University Catalogue have been translated into Chinese and sent to China for the information of prospective students. Now that Columbia has courted the Chinese, A. & M. the Indian, and Michigan the Egyptian, the next in order is for some institution seeking notoriety or in need of students to put in an application for the poor benighted Hindoo.

The Medics and Dentists at the University of Minnesota, being in need of patients upon whom to perform actual work, have decided to have their annual cane-rush at an earlier date than has been customary in the past, as the occasion offers much practical work in fractures, dislocations, bandaging, and installation of teeth.

In reply to that everlasting interrogatory "What's in a name?" we give as an example of the magic effect of certain cognomens the fact that a large Western college has elected a young lady yecept Fitzsimmons to head their Athletic Council.

A cooperative book store is to be started at the University of Minnesota. They know not what they do, for the old saying is true as well as aged, "Dire misfortune befalls them that profit not by the experience of others."

Students and faculty of the University of Utah are considering the practicability of instituting student control at that institution according to a news item. We rather suspect that the students are the agitators of the question with a quasi-considerate faculty smiling broadly.

Michigan University has awarded a prize of \$100 for a new football song. Texas is sorely in need of just such a song, and the method adopted by Michigan is not such an unheard of thing but that our Athletic authorities might look upon it with favor.

At the University of Iowa, the faculty has taken away two hours of credit formerly given women for dancing. More than likely dancing will soon be but a memory, since the harsh, rigid faculty has refused to give college credits for this form of higher education.

Methodist Eleven Suffers Defeat

(Continued From Page One.)

ter of the field. Kirkpatrick received the kick and returned the ball five yards. Massingill failed in his attempt to skirt the left end, and was dumped for a seven-yard loss. A forward pass to James failed, and a Southwestern man bit the dust. Kirkpatrick punted thirty yards to McHenry. Estill missed a hard tackle and McHenry was downed by James after a five yard return. Snipes shot around left end for five yards, and then took the pigskin through Texas' line for fifteen yards. Voigt did the same for ten, and then made five in the same place. Southwestern was penalized five yards for being off-side.

Southwestern failed to get by the Longhorn line, and the ball was given to Texas. Texas tried the end run from a shift formation, and Moore went 15 yards. James was held for no gain. A forward pass was then tried, but Southwestern intercepted it.

Voigt and Headrick each hit the line for a two-yard gain, and Estill stopped Brownfield after a ten-yard run by a very sensational tackle. Southwestern was penalized for holding, and Voigt was stopped, after a fifteen-yard run, by Moore. Texas was penalized for holding. Voigt plunged thru the line for five yards. Snipes did the same for three, and the first quarter ended with the ball on Texas' twenty-two yard line, and with Southwestern's chances for a touchdown exceedingly good. In this first period, Texas had decidedly the worst of it. Her plays were not taken off with any kind of form, and her defense work in the line was very poor. Southwestern had no difficulty whatever in making good gains here.

Second Quarter.

The teams changed goals and Headrick failed twice to gain in the line. The Texas team had evidently profited by the time between the periods and appeared much better able to stop Southwestern's line plunges. On the next play, Texas was off-side and was penalized five yards, while Headrick gained three yards thru our left side of the line. The ball was given to Texas.

Kirkpatrick made three around the right end, and then punted to McHenry, who fumbled. Texas recovered the ball in the center of the field, and on the first down Spoonts was held for no gain. James was given the ball and went thru the left side for three yards. Kirkpatrick again punted to Southwestern's five-yard line, and Snipes, who received the kick, was downed in his tracks by Estill.

Headrick punted out, and Kirkpatrick received it on the forty-yard line. He returned it seven yards, and sent Massingill around left end for no gain. Kirkpatrick then made a beautiful forward pass directly to Spoonts, who, after dodging three men, ran thirty-five yards for the first touchdown of the season. Kirkpatrick missed goal.

The teams lined up again, and Headrick kicked to Moore, on the 10-yard line. Moore made a beautiful return of twenty yards, and Kirkpatrick made twelve yards around end on the shift formation. In attempting a quick shift, James interfered with Bland's pass, and a loss of 2 yards resulted. Kirkpatrick punted forty yards, and McHenry returned ten. Headrick then kicked to Massingill who was downed in his tracks by Brownfield. A forward pass, Massingill to James, failed, and Kirkpatrick again made a beautiful forty-yard punt down the field to McHenry, who was downed in his tracks by the swift Estill. On the first play af-

ter this Headrick, by a mass play, plunged thru the line, dodged several men, ran straight thru Capt. Kirkpatrick and made a very sensational run of forty yards for a touchdown. Headrick kicked goal.

Kirkpatrick kicked to Snipes on the 15-yard line, who returned it 15 yards. Southwestern was penalized five yards for being off-side. Headrick kicked to Massingill, who returned twenty yards, after a beautiful open field run. He was then sent thru the line for no gain. The shift formation was again brought into play, and Kirkpatrick gained 15 yards around Strange. Texas was penalized five yards for crawling. Kirkpatrick made forward pass to Spoonts. He fumbled, but the ball was recovered by Texas after a 20-yard loss.

Third Quarter.

Headrick kicked to the ten-yard line, and the ball was returned ten yards. Kirkpatrick then made a wonderful kick, which went nearly two-thirds the length of the field. Estill again downed his man after a ten-yard gain, and on the next play Texas intercepted a forward pass, and recovered the ball. Moore went thru the right side of the line for 3 yards, Kirkpatrick made a forward pass of fifteen yards to Spoonts, and Texas lost the ball on a fumble. Voigt attempted to skirt right end, and was downed by Estill, who made a beautiful tackle. Headrick kicked fifteen yards to Spoonts, who was downed by Snipes after he had advanced the ball only about a yard. Kirkpatrick and Spoonts pulled off another forward pass that netted 15 yards, and Southwestern was penalized for interfering with the player under the pass. Massingill hit the left side for seven yards, James did the same for three, and Moore went seven on the other side. James was again given the ball, and this time carried it within about two inches of the goal line. Spoonts put it over on the next play, and Kirkpatrick kicked goal. Score, Texas 11, Southwestern 6. Things went about even after this, and the quarter ended with Southwestern in possession of the ball.

Fourth Quarter.

The fourth period began with the ball on Southwestern's forty-five yard line. Headrick tried the line, and succeeded in getting three yards, Voigt did the same on the right side, and Snipes fumbled. Leonard recovered, and Moore was sent around right end for a five-yard gain. Texas time out.—Spoonts. Texas tried a double pass, and Massingill made a perfect forward pass to James, who booted the ball around until Southwestern recovered. Southwestern the duplicated Texas' performance, and Texas again recovered the ball, and kicked to McHenry, who made a beautiful return of 15 yards. Southwestern advanced the ball about thirty yards and was held for downs, and Kirkpatrick sent James thru tackle for two yards. Kelleher made ten thru the right tackle, and a forward pass resulted in the loss of the ball on the thirty-yard line.

Massingill stopped Headrick, who received a forward pass, for no gain. Voigt made ten thru right tackle, and then 15 thru the other side. Snipes went five in the same place, and Headrick did his part. At this juncture, when Southwestern was playing havoc with the Texas line, Leonard intercepted a forward pass and Texas recovered ball dangerously near the Southwestern goal line. Massingill was thrown for a five-yard loss,

being presented by Moore & Morrison to any member of the freshman class calling at their store.

Mr. Henry Terrill, ex-'12, is a visitor at the Phi Kappa Psi House for a few days.

The Central Barber Shop, located at 307 Congress Avenue, solicits your patronage. Fine hair cutting a specialty. Turkish baths. Reno & Reasonover, Props.

Messrs. Harry Draught of San Antonio and Tom Talliferro of Houston were initiated into the Kappa Sigma Fraternity, Friday.

Miss Helen Harrison, B. A. '10, of San Antonio, has returned to the University to work on her M. A. Thesis.

Miss Lorena Middlebrook, ex-'08, of Nacogdoches, is a guest at the Chi Omega House.

Miss Joyce Walker, whose home has been Pekin, China, until recently, is attending the University.

Mr. L. H. Browne, LL. B. '06, of San Antonio, visited his sister, Miss Josephine Browne at Grace Hall, on Sunday.

Miss Julia Kimball returned to her home in Cleburne, Sunday, after a two-week visit at the Kappa House.

Mr. Morris Wolf, of circus fame, is back at the University. Mr. Wolf will take a course in chiropody under Prof. Nail, and assures us that his expenses will be borne by the folks at home.

Miss Julia Kimball, of Kopperl, Texas, is a visitor at the Kappa Kappa Gamma House.

HELP THE BAND.

The Haskell Indians defeated Varsity last year and Varsity is going to do every thing in her power to turn the tables this year. We all know that the Band is needed at the rally and game. It is up to us to see that it is there.

Season band tickets will be on sale in the Corridors Thursday, Friday, and Saturday mornings from 8:30 to 11. If enough tickets are sold or signed up for on these days, the Band will play for Saturday's game. It is not necessary for you to pay for your ticket now; just sign up for one right away, and you can pay for it later. Be sure not to forget it if you wish music for the game.

DR. KELLOGG TO LECTURE HERE THURSDAY NIGHT.

Thursday evening, Oct. 13, at eight o'clock in the University Auditorium, Dr. J. H. Kellogg, of the Battle Creek Sanitarium, will deliver an illustrated lecture under the auspices of the Texas Congress of Mothers and Parent-Teachers' Associations. His subject, "Are We a Dying Race?" is of vital interest to young people and under Dr. Kellogg's original and learned presentation will be entertaining and beneficial. His lecture will be illustrated by stereoptican views of his own design. The program will also be improved by several selections of music by different organizations, including "America" by the Children's Choir.

the University Band, a very worthy organization. The rally as a whole was a decided success and it is only to be hoped that they will continue to be so in the future. More support is needed for the Haskell game than we accorded the team in the Southwestern game. We have no idea of the strength of the Indians, but we all know that they always fight a hard game, and that to beat them we must put up a hard fight both as players and as rooters. Everybody come out for the next rally and help cheer the team on to victory!

Track Team to Have Two Fall Meets

(Continued From Page One.)

lead the South this season, but to do this every man must come out and get immediately into shape. Only about thirty days remain now until the Houston meet, and it will require hard persistent training to get into form. Every man come out and work. If you have had no experience come and see what you can do—everybody can be used.

Germania Society Has Many Plans
