Mr. H.B. Stenzel,
A and M College of Texas,
College Station, Texas

Dear Mr. Stenzel:

Your letter and list at hand.

We have here a large number of Texas Tertiary fossils and would be obliged to check them over before we can write you what we will need.

We shall be very glad to make some sort of an exchange with you at once.

Yours very truly,

T. H. Aldrich

T.H. Aldrich,
