

Friday

Dear Emmett,

Am off on vacation tomorrow!

For 1260 phot. is supposed to be life-size!

I have printed it thus:

Fr 1260 (join Fr 1210) JOIL + PA etc.

Dick Harrison mentioned you to the powers
at Sw.

Good to have immediacy relaxed. I
think Brooks expect me to be very specialty-
minded.

I admit your choice of me Flora
Stamp - I hope you heard that she did
not pass inspection for enough clothes, so they
put more on her.

All best,

Mike
