Dr. Herman A. Fehلمان
Oceanographer Sorting Center
Museum of Natural History
Smithsonian Institution
Washington, D.C.

Dear Dr. Fehلمان:

I have an airmail letter from Dr. E.G. Silas, General Convener, Symposium on Indian Ocean, Cochin, India, in which he stated: "I understand from Dr. Fehلمان, that material of Ostreidae (Mollusca) obtained during the IIOE period and sorted at the Smithsonian Oceanographic Sorting Center has been sent to you for detailed study. etc."

I have not received any such material, but would be very happy to have it. Can you enlarge on this situation and discrepancy?

With best regards,

Sincerely,

H.B. Stenzel
Consulting Professor
