CORNELL UNIVERSITY  
DEPARTMENT OF GEOLOGY  
ITHACA, NEW YORK

June 19, 1934.

Dr. H. B. Stenzel,  
Agriculture and Mechanical College,  
College Station, Texas.

My dear Dr. Stenzel:

I recall your saying last summer that you were interested in exchanging fossils for paleontological literature. In checking over our departmental library I found a great many really worth separates as well as a number of publications of the United States Geological Survey. If you are still interested in such an exchange please let me know.

Very sincerely,

*Helen I. Tucker*
