Dear Henryk:

At this time I want to let you know that the Conference on Tertiary Nomenclature and Boundaries to use for the State Geologic Atlas Project will open at 9:00 the morning of November 7 in my office in J-Hall on the Little Campus. My office is in the small brick building on the corner of Red River Street and 18th. Although my office is rather small to accomodate a dozen people I thought it best to hold the conference there because everything connected with the project is housed in my office, and the library, in case of need, is next door.

Those who have signified their intention to participate are listed as follows:

- Richard L. Stoll*
- ✓ Mr. L. Willis Clark, Amerada Petroleum Corporation, Tulsa
  - Mr. D. Hoye Eargle, U. S. Geological Survey, Austin
  - Mr. C. Wayne Holcomb, Humble Oil & Refining Company, Corpus Christi
  - Mr. Henry D. McCallum, Humble Oil & Refining Company, Tyler
  - ✓ Mr. Ezra H. Powell, Mobil Oil Company, Corpus Christi
  - Dr. Henryk B. Stenzel, Shell Development Company, Houston
  - Mr. A. G. Winslow, U. S. Geological Survey, Austin
  - ✓ Mr. A. C. Wright, Shell Oil Company, Tyler

Bureau members in addition to me who will be present for all or part of the conference include:

Dr. Peter T. Flawn  
Dr. William L. Fisher  
Dr. Peter U. Rodda  
Mr. Donald E. Owen

We are planning a buffet dinner for the Geologic Atlas Project Conference Group at 6:30 on Wednesday evening, November 7, and hope you can be with us. I am looking forward to seeing you Wednesday morning.

Sincerely yours,

VIRGIL E. BARNES

Director

Geologic Atlas Project

P. S. Continental tells me their only morning plane leaves Houston at 6:15 and reaches Austin at 6:54. I suppose you will arrive in Austin the night before.
