THE WHITE HOUSE
WASHINGTON

76a

Tuesday - April 23, 1968

9
Mr. President:

Secretary Rusk asks that you receive Ambassador Beam to discuss Czechoslovak developments. This could be any time in the next several weeks.

The main usefulness of this is that it will strengthen Ambassador Beam's hand when he returns to Prague. As you know, we are trying to find discreet ways of encouraging the favorable developments in Czechoslovakia.

Walt Rostow
