OFFICIAL-INFORMAL

Dear Mr. President:

I want to thank you for many things: the careful attention you gave to my comments during our visit on May 18, your thoughtfulness in inviting Mary to join me in Washington, the generous public references you made about me during your May 21 press conference and on other occasions. But most of all I appreciate the opportunity you have afforded me to serve you and my country in the field of foreign affairs.

As you suggested during our May 18 conversation, I am enclosing with this letter some thoughts I have on several foreign policy matters. I have tried to be brief, but where explanation and argument would have suffered I have reluctantly sacrificed brevity. I hope the enclosed memorandum has sufficient merit so that in asking you to read it you will not think I have imposed too heavily on your time.

Sincerely yours,

John A. Gronouski

Enclosure:
