

August 30, 1936

Dr. Julia Gardner
United States Geological Survey
Washington, D. C.

Dear Dr. Gardner:

Please let me thank you for your help in the matter of the Alabama fossils. Dr. Walter B. Jones has been so kind as to give me permission to study some of his material and he will send me the species I am asking for.

By separate mail I am sending you a recent separate of mine.

Very sincerely yours,

H. B. Stenzel, Geologist
