My dear Doctor Stenzel:

Replying to your letter of December 19, I shall be very glad to make an opportunity to discuss the matter of your possible employment with us at your convenience. Since I am in the field from time to time it might be well if you could advise me a couple of days ahead of time as to the date of your next visit to Houston, which I trust will be sometime in the near future.

Dr. Adkins is frequently in Austin; possibly you might be able to arrange a visit with him. He might be able to answer some of the questions you have in mind.

Very truly yours,

RRM/MJ
