My dear Miss Kober:

I was so glad to hear from you again and learn that you remember with pleasure your summer sojourns at Chapel Hill. I thought this old paper which I have still lying around might remind you of the days of the Institute here again. Have you been able to attend the one at Madison?

I asked Professor Jente to answer your letter officially as regards our facilities in your friend's field of research. I hasten to assure you that I shall be most happy to welcome her to Chapel Hill.

Did you know that Mary Munch has a stipend at Yale for next year?

Cordially,
