

11/16/04 approved by acclimation

**AR:** 10  
**Title:** Student Response to the Commission of 125 Final Report  
**Stage:** PASSED - 11/05/2004  
**Owner:** Elizabeth Brummett  
**Modified:** 2004-11-22

001 | **Whereas** the Commission of 125 submitted a final report to express a vision of how  
002 | the University of Texas at Austin can best serve Texas and the larger society  
003 | during the next twenty-five years  
004 |  
005 | **Whereas** students were included only in advisory committees  
006 |  
007 | **Whereas** the mission of Student Government is to "earnestly represent the interests  
008 | of students and increase student decision-making power  
009 |  
010 | **Whereas** the report addressed many issues of direct student concern including but  
011 | not limited to admissions, curriculum, facilities, and resources  
012 |  
013 | **Therefore Be It Resolved** Student Government of the University of Texas at Austin  
014 | will draft a response to the Commission of 125 final report to highlight student  
015 | concerns and outline how students can assist the process of making UT "a  
016 | university of the first class"  
017 |  
018 | **Be It Further Resolved** Student Government will host a student forum on Monday  
019 | January 24, 2005 at 6:30 pm in order to increase student awareness of this  
020 | response and to solicit student input  
021 |  
022 | **Be It Further Resolved** the Student Government intends to set a precedent regarding  
023 | the response of students to University Commissions and Committees  
024 |  
025 |

---

**Footnotes**

The location of the forum on January 24th is to be announced.
