Dear Henryk:

The item you enquired about on p. 400 of Lamarck's
1801 *Système* is as follows:

"Planospirites ostracina. n. Fossile de
la montagne de Saint-Pierre á Maestricht,
recueille et déposé au Muséum par le C.
Faujas."

I shall have the library send the second item to
you shortly. I hope you are enjoying the warmth
of the south-land. I envy you.

Sincerely,

Norman F. Sohl, Chief
Paleontology & Stratigraphy Branch
