Thank you for sending me the program -
very welcome and interesting - and your
charming Christmas card. - Your order
for the Census Guide (3rd ed.) has gone off
by sea mail (pretty slow this season). I am
sorry you missed the 2nd ed. which had
various improvements. It is completely sold out
but the 3rd edition includes the new features
such as the Area Map. - I am going on one
of my circular business tours - England (Feb.
6th to 20th) - New York (Feb. 20th - Mar. 1st) and back
by Queen Frederica (Piraeus Mar. 19th) - so there
will be a gap in archaeological reports. In N. 3.
I shall be again at the Allerton, 1302. 5th St. W. 2nd St.
My best to you all. Helen Toace
