

April 18, 1968

Dear Dr. Stenzel:

Pete has been transferred to the Marine Division and was kind enough to write this letter for us.

We had planned to send these samples to you sooner but had to wait for the pictures.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Tom Bay".

T.A. Bay

Division Geologist
Houston Divn. Exploration

T. A. Bay, Jr.
