Dr. H. B. Stenzel, Geologist
Bureau of Economic Geology
The University of Texas
Austin, Texas

Dear Dr. Stenzel:

Thanks for your prompt reply to my letter. I
surely appreciate the separate of "The Yegua Problem."

Very truly yours

A handwritten signature in dark ink, appearing to read "R. D. Woods". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

R. D. Woods
