

Dear Doc:

Thanks a lot. Got a letter from John T. informing me that he had talked to Dr. Bellard, but thought that he was going to get a micropaleo. man.

Will appreciate anything you can do for me. ~~for~~ That seems to me tho. to be shooting too high but would certainly like to have a chance to work there with you.

I am at San Augustine with a C.E.C. camp and am enjoying the work but am working my butt off.

I am due in town now. Will write you a longer letter tonight.

We are 15 miles out and have no telephones as yet but if you needed to get me, there is a fellow in town that will come after me and I will notify the telephone Co. to call him. Call collect.

I only made \$276 this month but would jump at the chance to get that just about at any salary. I couldn't turn the salary down tho when I didn't have anything on the line.

Have to go.

~~Write me at~~
