Att. Mr. H.B. Stenzel.
Geologist.

Dear Mr. Stenzel:

I am sorry indeed that I was unable to answer your letter of June 12 any sooner as I was out of action due to a sudden emergency operation.

However, I wish to express my gratefulness for your unselfish contribution to establish identity of the little critter, we had sent to you. I was unable to do anything further in the direction you suggested, but I will be on the job again in a short time and give you a full report of the further developments.

Thanking you again for your great effort,
we are with best regards

sincerely yours

W. Beck.
