Dear Doc:

8 mi N. of Medford, Ore.

What about listing place I
can buy ~~an~~ ~~a~~ geological
map and some literature on this
part of Oregon.

Am Regimental Adjutant (S-1)
and a Capt. They are pretty hard up
for personnel - don't you think?

Elliott is at Ft George Meade,
Md. 304th Inf Reg. Commanding
a rifle co.

You know of course Don Hamer
went to Attentel Ref. as chief geol.
and Gordon stepped up. Dr Morris's
wife died.

Would appreciate a note from
you Doc. - telling me how you & family
are & any small gossip.

We are all O.K. family is living in
Medford.
as ever,
Mac.
