Dear Miss Kober, please forgive me for not having let you hear from me sooner, but I have been awfully busy, since I was preparing to leave my country in case of a red victory. Which did not happen, fortunately enough for us as well as for the whole world. Nevertheless, Czechoslovakia and other unpleasant political happenings will cause some delay in the appearance of the Minoan Annual. So, there is no need for hurrying up. I shall be glad if you will let me know what you may send to me for publication, when you do have it ready; or if you can find other contributors, of course. I am most obliged to you for the unpublished Pylos text and shall be delighted if you will not forget me also in future, when more unpublished texts will be printed in such pamphlets. I shall keep you up to date on what will be published here on Minoan texts and shall be glad if you will do just the same for me in the U.S., since I cannot always keep myself up to date on forthcoming books and magazines. With very best wishes and regards,

Yours as ever Emilio Benzi
