

SOCIETY OF ECONOMIC PALEONTOLOGISTS AND MINERALOGISTS, Box 979, Tulsa, Oklahoma

September 21, 1949

Dr. Holmes A. Lawson
Editorial Office, The Journal of Geology
c/o The University of Chicago
Chicago 37, Ill.

Dear Dr. Lawson:

In response to your letter of September 6, it is true that I discovered two algal reefs in the middle Permian of Texas. However, I do not think I will have any time to write about these reefs in the near future, so I have to beg out of contributing to the symposium on reefs.

With best regards,

Cordially yours,

H. D. STENZEL
