Told in Story, Seventh Grade.	.86	none	Sept., 1923	Sept., 1929		

REQUISITION FOR SUPPLEMENTARY READERS.

Requisition for supplementary readers should be based on the maximum attendance of the grades in which the books are used, AND IN ACCORDANCE WITH THE SCHEDULE OF THE NUMBER OF SETS ALLOWED, BASED ON LENGTH OF SCHOOL TERM, as shown below:

Schedule of Sets of Supplementary Readers Allowed.

6 months' term or less allowed two sets, or the equivalent of two books per child.
 7 or 8 months' term allowed three sets, or the equivalent of three books per child.
 9 months' term allowed four sets, or the equivalent of four books per child.

ILLUSTRATION.

For a 9 MONTHS' SCHOOL WITH A MAXIMUM ATTENDANCE OF 50 PUPILS IN THE FIRST GRADE: such school would be entitled to 4 sets, or 4 times the maximum attendance, which is 200 books. Now, instead of requisitioning 4 sets of 50 books each, the school would purchase 200 books. In this way, the pupils would receive the benefit of 8 books instead of 4, and still the TOTAL NUMBER OF BOOKS PURCHASED WOULD BE THE SAME.
