EXDIS

FOR AMBASSADOR OR CHARGE

earlier

Message referred to in ~~separate~~ telegram is as follows:

QUOTE Dear Blank:

I have asked my Ambassador (Charge) to bring to you my frank
 the
 assessment of/situation in South Vietnam.

In recent months open aggression against/people and government
 of Vietnam has increased and very heavy strains have been placed upon the
 the
 South Vietnamese armed forces and/South Vietnamese people.

In this same period, as you know, repeated and imaginative
 efforts by many governments /including your own/ have been unsuccessful
 the the
 in moving this problem to/conference table because of/determined and
 rigid opposition from Hanoi and Peiping.

I have been reviewing this situation during/the last few days in the
 light of up-to-date reports from my most trusted associates. While final
 decisions have not been made here, I can tell you that it now appears
 certain that it will be necessary to increase United States armed forces

in South Vietnam by a number which may equal or exceed 80,000 already there.

I want you to know that as we make this major additional effort we will also continue to make every political and diplomatic effort that we can to open way to a peaceful settlement.

We will also continue to use every care and restraint to ensure that fires the of war do not spread on mainland of Asia. Our objective remains end of external interference in South Vietnam so that people of that country can determine their own future.

In this situation I must express to you my own deep personal conviction that prospect of peace in Vietnam will be greatly increased in measure that necessary efforts of United States are supported and shared by other nations which share our purposes and our concerns. I know that your government has already signalled its interest and concern by giving assistance. I now ask that you give most earnest consideration to increasing that assistance in ~~way~~ which will give a clear signal to the world--and perhaps especially to Hanoi--of solidarity of international support for resistance to aggression in Vietnam and for a peaceful settlement in Vietnam.

I have asked my Ambassador (Charge) to make himself available to you for consultation as to types of additional assistance you might provide and for liaison with South Vietnamese Government.

Sincerely,

Lyndon B. Johnson UNQUOTE
