

## EXPECT RECORDS TO FALL IN LEAGUE FINALS TODAY

### Two Homers by Walker Give Texas 8-4 Win Over Baylor

#### GOOD FIELDING FEATURES GAME

#### Two Teams Get Equal Number of Hits, but Texas More Timely

Exceptional hitting of Arvie Walker, Texas cotton-haired first baseman, in the pinches of the Texas-Baylor game Friday won for Texas by the score of 8 to 4. Two home runs and a sacrifice by Walker put over seven of the eight Texas scores.

Timely fielding of the Texas nine materially aided them to win. In the sixth with three men on bases and none out, Hopkins cut down a run by throwing to Allen, who doubled by throwing to Walker. Forbes started a quick double play in the following stanza by catching Roach's liner and cutting Naylor off at first before he could get back to the sack. Many sensational catches enlivened the game, the number of exceptional grabs being unusual. Naylor got the hardest chance when he came through and caught a liner, only to stand on his head from the impetus of his run. Harris made a fast catch of an infield fly, and there were other fine snatches.

Baylor was allowed the same number of hits Texas got, their total baseage from blows being one greater than the total compiled by Texas, but the Bears were unable to score more than one-half as many runs. One reason for this was that Texas was more timely in slugging, and another was that the Bears erred four times in the infield.

The first scores were made by Baylor off the offerings of Edwin Olle in the fourth. Jones led off with a home run. Sisco was walked, and Shelton, next man up, hit over the corner of the right field fence, the longest drive in that direction of this year. Texas got two tallies in the last half of that frame. After two batters flew out, Hopkins singled and Walker followed with his first home run.

Texas took the lead in the sixth inning. Olle singled, Baumgarten got (Continued on page 3)

### STATE EXTEMPORE AND DECLAMATION WINNERS CHOSEN

#### He Cinches Victory for Longhorn Team

TEXAS' triumph over the Baylor Bears Saturday was largely due to the efforts of Arvie Walker, first baseman, who not only played his usual good game in the field but also scored some seven runs with two homers and a sacrifice. Otherwise Arvie had a rather dull day.

By E. P. QUEREAU

State winners in high school, rural school, and city divisions of boys' and girls' declamation, and high school and city divisions of extemporaneous speech were decided Friday night in the final contests of the Interscholastic League Meet.

Results of the declamation and extemporaneous final contests are as follows:

#### City and Rural

Boys: (High School) Leroy Jeffers, Holand, and Jean Rodgers, Quanah, tied for first place; no second; James Smith, Ranger, third.

(City Division) Ross Carr, Main Avenue High School, San Antonio, first; Robert Snakard, Fort Worth Central, Fort Worth, second; Fisher Ames Tyler, Austin and Lawrence Bash, Wichita Falls H. S. tied for third place.

(Rural Division) Charles Brown, Francitas, first; Marvin Lynn, Oran second; Jack Edmiston, Wall School, Wall, third.

Girls: (High School) Thelma Williams, Dublin High School, first; Madeline Kincannon, Georgetown High School, second; Dorothy Switzer, La Port High School, third.

(City Division) Maude Ellen Davis, Brackenridge High, San Antonio, first; Desdemona Weatherford, Amarillo High School, second; Sadie Shanblum, Fort Worth Central High School, third.

#### Extempore Speech

Extempore speech: (High School Division) Billy Hamlen, Holland, first; Waldine Stocton, Sherman, second; Taylor Henry, Palestine and Margaret Barber, Edinburg, tied for third.

(City Division) Alex Carillo, Jr., Main Avenue High School, San Antonio, first; Charles Long, North High, Dallas, second; Roy Hofheinz, San Jacinto High, Houston, third.

Judges were D. Charles Kneier, Dr. R. A. Law, R. I. Fouraker, Miss Rachel Garza, Miss Ruby Terrill, Dr. H. S. Ficke, A. H. Ribbink, Palmer Throop, Dr. P. M. Batchelder, B. F. Harrison.

#### Speakers and Versus Clubs Hold Picnic Saturday at Bartons

The annual spring term joint picnic of the Versus and Speaker's clubs will be held Saturday evening. Members of both organizations will meet at the Texas Bible Chair at 6:30 p. m. and go to Barton Springs for a swim and supper.

"All that is required on the part of those going on this outing is that they bring their bathing suits and be there on time," stated Myrtle Whitmire and Edwin Bueck who are in charge of the arrangements. Stunts and games to be played after supper will not be revealed until the time for this part of the program arrives.

#### PUBLICATIONS GIVE AWARDS AT ANNUAL BANQUET MAY 14

Remuneration in the form of much food and lots of fun will be furnished the staffs of the publications for their year's work Saturday night, May 14, it was announced by the business office yesterday.

On that evening, when they convene at 7:30 o'clock at the Cafeteria, more than 225 students who have written and edited the four Varsity publications will be treated to a banquet, entertainment, "T and Quill" awards, and a dance.

The whole banquet hall of the cafeteria will be opened for the party, and it is thought that it will be arranged in cabaret style. Burt Dyke, production manager of the Publications, is arranging a program

### BORGLUM SCORES TEXAS FOR LACK OF ART ENDEAVOR

#### Famous Sculptor Points Out Wealth of Material for Art Work in Texas

#### ANNOUNCE PRIZE WINNERS

#### Clyde Gray of Houston and Roslyn Goldsmith of Dallas Win in Art Contest

"If Texas is ever to be famous in art, you must make it so," was the gist of the address delivered Friday night by Gutzon Borglum, nationally renowned sculptor, to the general public and particularly to the contestants in the Interscholastic League art contest.

Borglum, representing the league authorities, announced the winners in the art contest and presented the prizes. Clyde Gray of Houston and Roslyn Goldsmith of Dallas won first and second places, respectively. A number of Mr. Borglum's remarks were made to these young people. His advice to them was summed up in the maxim, "Don't lie."

"It is the easiest thing in the world to fall into the habit of caricaturing your subjects," he went on to tell them. "It is very easy to exaggerate their salient points. Don't do it. The aim of education is to teach the students to see things accurately and to think. The object of the art student is to view accurately the light and shade and to reproduce accurately what he sees."

#### Changes Song

Quoting the refrain from Dean T. U. Taylor's famous engineer song, "Texas is watching you (from 'Hi, Ho, Balls'), Borglum said he wished to change it to read, "The world is watching Texas." He explained that while Texas looms among the largest and wealthiest states in the Union, she has done nothing in the realm of art; she has failed in her duty of preserving her historical and natural beauties.

"Texas," he went on, "had her beginning in a series of events which can be equaled by nothing else in American history for loyalty and bravery, and absolutely nothing has been done to commemorate in a lasting form those men who gave their lives so nobly for the territory which is now your home."

#### On Centennial

"Nine years from now, Texas will be one hundred years old. Nine years from now, the Texas Centennial Exposition will be held. You have nine years in which to make up for years of neglect. Don't allow that event to degenerate into a mere carnival, with balloons and brass bands and jazz—make it something which will turn the eyes of the whole world to Texas; make it a real exposition of the life of Texas, a memorial to all that has gone into the creation of the state. Austin, Fort Worth, Dallas, San Antonio—all have something to contribute. In practically everything connected with the exposition, there is going to be a great need for artistic and creative genius and skilled craftsmanship."

"America struggled for over a hundred years to shake off the pseud (Continued on page 3)

### Saturday's League Program

Saturday, May 7  
7:30 A.M.—Breakfast for faculty representatives at University Cafeteria, after which will occur the State meeting for discussion of rules and regulations of contests and other matters for the good of the order. Only those who secured tickets at League Office, Extension Building, Little Campus, before 5 p. m., Friday, May 6, will be admitted to this function.  
9:00 A.M.—Fourth round in boys' and girls' tennis singles. Semi-finals in boys' and girls' tennis doubles. Semi-finals girls' debate high-school division, Y.M.C.A. Auditorium.  
11:00 A.M.—Final debate Boys' City Division, Girls' High-School Division, Y.M.C.A. Auditorium.  
11:30 A.M.—Semi-finals in boys' and girls' tennis singles.  
2:30 P.M.—Final track meet, Texas Memorial Stadium.  
4:00 P.M.—Finals in boys' and girls' tennis doubles.  
7:30 P.M.—Final boys' debate (high-school) and final girls' debate (city), Law Auditorium; Governor Dan Moody, presiding.

### Leaguers Hold Initial Debates; Finals Today

Preliminary contests in the boys' and girls' debates of the University Interscholastic League were held Friday, May 6, to determine the contestants that will compete in the final and semi-final conflicts Saturday. The decision of the final winners in the three-R contest was decided also on Friday morning.

Privilege to meet the other teams of the finals was obtained by defeating 23 other district teams in the case of the high school division, and seven other debate teams in the city division.

Preliminaries in boys' debate resulted as follows: (High School Division) Desdemona, Aubrey Warford and Lewis King; Hubbard, Aylmer McNeese and Ben Davis; Athens, Homer Lee Parsons and Mastin Stover; Winters, Auburn Neeley and Perry Barber.

(City Division): Brackenridge High, San Antonio, Burton Morris and James Reveley; Fort Worth, J. A. Lovell and M. P. Daniel.

Preliminaries in girls' debate resulted as follows: (High School Division) Childress, Opal Coley and Hazel Bullock; Lone Oak, Dorothy Freeze and Winnie E. Pollard; Moody, Callie McKanie and Hilda Stallings; San Benito, Alberta Brown and Irene Dodson.

(City Division): Main Avenue High, San Antonio, Emma Jane Grove and Ruth Callaway; Fort Worth, Rachel Williams and Mary Bunce.

Contestants in the three-R contest of reading, writing, and arithmetic were eliminated in the 27 districts. The winners were Annie Phillips of Sycamore School, Decatur, first place; Evelyn Harris of the Fulshear School, Fulshear; and Annie Jahneke of the Berlin School, Brenham.

### SENIORS' MAJOR EXAMS SATURDAY

#### Examinations Last Four Hours and Cover Many Subjects

Major examinations for seniors will be held Saturday, each to last four hours. The schedule as given by the heads of the various departments is as follows:

Pure Mathematics, Saturday, May 7, 2 to 6, M. B. 207; Philosophy; Psychology, Saturday, May 7, 2 to 6, G. H. 213; History, Saturday, May 7, 2 to 6, G. H. 111; Romance Languages, Saturday, May 7, 2 to 6, M. B. 219; Economics, Saturday, May 7, 2 to 6, G. H. 315; Government, Saturday, May 7, 2 to 6, G. H. 7; English or Comparative Literature, Saturday, May 7, 2 to 6, M. B. 172.

#### Hildebrand Leaves for Washington To Attend Convention

Dean Ira P. Hildebrand of the University law school left Austin Friday at noon for Washington, D. C., where he will attend the national convention of the American Law Association, of which organization he is a life member, recently elected.

During Dean Hildebrand's absence for the next two weeks his classes in the law school will be suspended. Judge J. E. Hallen of the law school will conduct double torts classes in the junior law sections during the dean's absence.

### FRIDAY PRELIMS FAIL TO REVEAL STATE CHAMPION

#### San Antonio, Dallas, Ranger, and Abilene Are Main Contenders

#### FINALS THIS AFTERNOON

#### League Records Threatened by Performances in Early Heats at Stadium

By ROBERT E. B. FIELDER  
Texan Sports Editor

If Friday's preliminaries in the Seventeenth Interscholastic League Track and Field Meet, is any indication of what the finals of today will be, then the promise that this year's meet would be one of the best, will be fulfilled. An insight of what will happen this afternoon at 2:30 on the Stadium track was shown yesterday when one record fell and others were closely approached.

Friday's preliminaries in the field and track events still left the probable State champion in the dark. The chances at the present time seem to be for San Antonio, with Brackenridge and Main Avenue of that city having a number of men who are sure to place in the finals, Dallas, with Forrest and Oak Cliff boasting some of the best material in the school's history, and Ranger and Abilene showing up well.

#### Davis Is Good

E. Davis, Freeport dark horse, stepped his heat in the 220 yard dash in 21.8 seconds, breaking the League's record by one-tenth second. Wilkey, El Paso star dash man, ran the same race in the present record time, 21.9 to win his heat. All indications point to the breaking of this record officially this afternoon when these two men meet in the finals.

Another record which seems doomed is the javelin throw record of 174 feet 10 inches. In Friday's performances, Gates, representing the little town of Flotmot, had no difficulty in throwing the spear with ease 172 feet. The only other record which seems endangered is the one mile relay. Several teams will have a chance to establish a new record since in a blanket finish the time of 31.9 was made, 1.4 seconds over the existing record.

Masonic Home, Ft. Worth seems sure of ten points with the same Happy Hall who has taken the first places in the shot and discus for the last few meets with regularity. Hall has a chance of setting a record in either event, but it is unlikely that such will occur. Johnston, who pushed Hall in both events will probably take second in the same events since the Wills Point entry came in this place yesterday with ease.

#### Main Ranks High

Main Avenue of San Antonio, present Interscholastic Champions, have two men on their team who would do credit to most any college. Davis, dash man and Henry, hurdler have bright chances of winning their events today, or at least of placing high among the winners.

Material for the mile run is unknown since no preliminaries are to be run in this affair. Reports bring word that several star milers will be among the little army that will start the meet's longest race.

Results from Friday's preliminaries are:

#### TRACK EVENTS

##### 100 Yard Dash

First heat, Wekey, El Paso; Taylor, Ranger, and Rutledge, Kennedy, tied for second. Time 10.2 Second heat, Luckett, San Antonio (Main Avenue); Thompson, Waxahachie. Time 10.3. Third heat, Davis, Freeport; Welbourne, Quanah. Time, 10.1. Fourth heat, Davis, San Antonio (Main Avenue); Morgan, Corpus Christi. Time 10.1. Fifth heat, Garmes, Bangs; Roensch, Smithville. Time 10.1. Sixth heat, Reynolds, Lubbock; Collins, San Antonio (Brackenridge). Seventh heat, Oliver, Fort Worth (Polytechnic); Marshall, Elctra. Time 10.3.

##### 120 Yard High Hurdles

First heat: Dillon, Dallas (Forest Avenue); Strickland, Coolege. Time 16.1. Second heat: Burum. (Continued on page 3)

### TAYLOR WINS IN TYPING CONTEST

#### Harrisburg Girl Turns in Score of 63.33 Words Per Minute

Writing at the rate of 63.33 words per minute, Marguerite Taylor of Milby High School, Harrisburg, won first place in the Interscholastic League typewriting contest held here Friday. Elsie Merriman of Austin won second place with a score of 58 words per minute, and Macel Gardner of Sour Lake won third with 56.33 words per minute.

The award for first place was a gold medal for the contestant and a silver loving cup for her school; for second, a silver medal, and for third, a bronze medal. Twenty-five contestants were entered, representing ten districts.

The contest was carried out under the direction of Miss Florence Stullen, instructor in typewriting in the University. Much interest in the event was evidenced, this being the first year such a contest has been included in the Interscholastic League program.

#### PHILLIPS WINS PRIZE

Dorothy Phillips won the box of candy given by Pete's Candy Kitchen for keeping the best score card in the second game against Baylor Friday. Marjorie Stones ran a close second with her card. Both cards were checked by the official score book and Miss Phillips won by a narrow margin. Mary Porter Travis and Virginia McGaba received honorable mention. Two more boxes of candy will be given by Pete's Place this season, both being awarded at the T. C. U. games.

### DELTA PHI DELTA TAPS 13 NEW LAWS

#### Honorary Fellowship Organization Draws Members From All Law Classes

Selection of 13 law students for membership in Delta Phi Delta, honorary fellowship organization, was made Thursday from the three law classes by the society, headed by Rip Collins, who conducted the election.

Following an ancient practice of Delta Phi Delta, the honorary organization of good fellows and free scholars, the following men were tapped:

From the senior class: Tom Suggs, Opie Watson, Ernest Guinn.

From the middle law class: Hamilton McRae, Grey Brown, Rip Underwood, Boone Crisp.

From the junior law class: Rocky Rundell, Tiny Gooch, P. K. Williams, H. L. Lewis, Trueman O'Quinn, and Bill Elkins.

Membership in Delta Phi Delta is based on the exclusive and distinctive qualities of fellowship, ability to remain in the law school, and a belief in and a practice of the Epicurian ideals of life. Only twice a year are the honors conferred, once at the all-law banquet and again on the traditional Delta Phi Delta day of May 5.

#### ORCHESUS RECITAL

Approximately six hundred invitations will be sent to faculty members, Austin residents and students to attend the annual Orchesus recital to be given on the back lawn at the Scottish Rite Dormitory Thursday evening, May 12.

## THE ACADEMIC RICK

COMMENTING recently on the fact that there has been a great deal of discussion in regard to dismissals from American colleges and universities, the New Student asks through its news service if the United States has a distinguished kicked-out-of-college list. "Oxford today reveres the memory of Shelley, John Locke, William Pen, Edward Gibbon, and Walter Savage Landor," observes the circular. "Yet these men were such unruly undergraduates that they were all expelled from the university, charged with such crimes as sedition, atheism, duel fighting, and manslaughter. Has this country a comparable list?"

If America cannot furnish a list that might compare to the one submitted by the New Student, it is certainly not due to any scarcity in the number of individuals who could satisfy the first requirements of an all-American-kicked-out-of-college. But it might not be altogether irrelevant in this connection to suggest that no one has thought seriously of compiling a list of eminent Americans and comparing them with Shelley and Gibbon on the basis of the fact that they were kicked out of college. In the first place, the basis of comparison is frivolous. And if, in the second place, any legitimate comparison could be made, the fact that the Americans had been kicked out of college as had their distinguished British compatriots would dwindle to the insignificance of a biographical detail.

The query proposed by the writer in the New Student would lead us, no doubt, into many fascinating by-paths of conjecture. But the fact that Gibbon and Locke left Oxford without taking degrees presents an interesting personal equation for the biographer rather than a case that might be used against the English university system. Hume did fairly well by this system. Newton, it seems, pursued his mathematical studies at Trinity College without being unduly oppressed by an atmosphere of intellectual intolerance and bigotry. Whistler, we are told, would have been a major general if silicon was a gas. But Robert E. Lee, America's greatest soldier, was graduated from the United States Military Academy at the head of his class. No sensible man would see in Whistler's experience a justification for condemning the system of instruction at West Point, any more than he would in Lee's cadet record as a basis for the claim that West Point is one of the greatest military schools in the world.

## Official Notices

### Student

ALL MEMBERS of Rusk Literary Society are urged to be present at the regular meeting Saturday, at which time a matter of unusual importance will be discussed.

ALLEN CROWLEY, President.

THE MEMBERS of the Versus and Speakers' Clubs going on the picnic are requested to meet at the Texas Bible Chair Saturday, May 7, at 6:30.

EDWIN BUCKEY.

THE STUDENTS' Assembly will meet Monday at 4 o'clock.

HELEN BEISSNER.

GRADUATE History Club: Join the Treasure Hunt starting from the rendezvous at 915 West 23rd Street at 7:30 p. m. Tuesday, May 10. If a willing hunter, make your mark with Pirate Allen in the Archive Room before dusk of May 9.

CAPTAIN ABIGAIL CURLEE.

LONGHORN BAND: Election of officers Monday at 7:15.

G. A. JOEPPERWEIN.

THE SCANDINAVIAN Society will have its regular meeting at the home of Mrs. A. J. O. Sandbo, 106 West 30th St., Saturday evening, May 7, at 8 o'clock.

HILDA ANDERSON.

## Official Notices

### Faculty

THE EXAMINATIONS for students majoring in Pure Mathematics will be held in Main Building 207 on Saturday, May 7, from 2 until 6.

E. L. DODD.

NOTICE TO SENIORS—The Examinations for seniors majoring in the Department of Philosophy and Psychology will be held Saturday, May 7, from 2 until 6 in the afternoon in Garrison Hall 213.

G. WATTS CUNNINGHAM.

THE READING examination to absolute foreign language degree requirements will be held on May 14, 2-5 p. m. Application must be made at the office of the Registrar not later than May 10. Seniors, Sophomores, and juniors who are finishing the last term of the language requirement are eligible.

J. L. BOYSEN.

Chairman of Committee on Foreign Language Requirements.

NOTICE TO History Majors: The senior major examination in History will be held in room 111, Garrison Hall, May 7, at 2 p. m. All persons intending to take that examination are requested to get permission from Dean Benedict and to see me with regard to certain instructions as soon as possible.

M. R. GUTSCH, Chairman.

POSTPONED and advanced standing examinations and examinations to remove course conditions will be given beginning May 12. Application to take these examinations must be in the Registrar's Office not later than Thursday, May 5. Students should be sure of taking the examinations before petitioning, since an unexcused absence from such examination, once a permit has been granted, calls for a grade of "F."

E. J. MATHEWS.

Registrar.

STUDENTS in the College of Arts and Sciences who are planning to graduate in August, 1927, or June, 1928, who have not signed degree cards, should do so before May 15, in the Registrar's office.

H. Y. BENEDICT,

Dean of the College of Arts and Sciences.

THE examinations for seniors majoring in Romance Languages will be held on Saturday, May 7, from 2 to 6 in Main Building 219. Seniors may obtain sheets explaining the nature of the examinations in Main Building 215.

C. M. MONTGOMERY.

EXAMINATIONS for students majoring in Economics will be held on May 7 from 2 to 6 in Garrison Hall 315.

E. E. HALE.

EXAMINATIONS for students majoring in English or Comparative Literature will be given Saturday, May 7, in Main Building 172, from 2 to 6 o'clock.

R. C. MARTIN.

EXAMINATIONS for Seniors majoring in English or Comparative Literature will be given Saturday, May 7, in Main Building 172, from 2 to 6 o'clock.

T. P. HARRISON.

## VARSITY HAS ATTRACTIONS FOR LEAGUE

By ELAINE SMITH

"...as others see us."

It takes a stranger to appreciate the value of the University campus and its advantages...its buildings, its libraries, and the like. This fact is revealed in interviews with interscholastic-leaguers visiting in Austin now.

"I like the ceiling in the Wrenn Library," one student remarked. "If we had a ceiling like that, I think we could study better in high school." But many University students know the Wrenn Library has a ceiling only because most rooms do have.

This high school student's comment may have its merits, but it is to be wondered if he could find anything as intriguing as Beck's Lake just west of the library. The campus buzzards and lounge co-eds would say, "No."

Every interscholastic leaguer is a dynamo of questions. "Could you direct me to the geology department?" one inquiring lad asked. He, upon being engaged in conversation, revealed the fact that he had already planned his college courses for next year. He wanted to meet the head of his selected department. There are many like that.

Though due perhaps to a high pitch of excitement, it is commendable that the visiting high school students who plan to enter the University next year are already planning their work and are anxious to meet the professors in their departments. That sort of spirit will do wonders with grades.

Officials say there is no doubt that numbers of freshmen who enter the University each year are boys and girls who come here during the meets, for many completely changed their minds in respect to schools after they had been here only a few hours.

Notable among the University students for the past three days during which the 1500 interscholastic leaguers arrived on the campus is the satisfied sophistication of the Varsity studies. Never has there been such dignity in classes, at meals and on the campus as has been seen by silent observers during the past few days.

A Texan reporter gave the young hopefuls a thrill Friday morning when she asked a few questions and recorded the facts on a piece of paper. "She is a newspaper reporter," they whispered with surprise and glanced around to see if they could discover a camera.

All in all students of the University

Forward the Light Brigade,  
Was there a man dismayed?  
Not though the soldier knew  
Some one had blundered.  
Their not to make reply,  
Their not to reason why,  
Their but to do and die,  
Into the Valley of Death  
Rode the Six Hundred.

Votes to the right of them,  
Votes to the left of them,  
Votes in front of them  
Volleyed and thundered.  
Stormed at with shot and shell,  
Boldly they rode and well,  
Into the jaws of Death,  
Into the mouth of Hell,  
Rode the Six Hundred.

When can their glory fade?  
Oh, the wild charge they made  
All the world wondered.  
Honor the charge they made,  
Honor the Light Brigade,  
Noble Six Hundred.

I want to thank each of the Six Hundred voters who rode with me into the jaws of political defeat and assure each of you of my personal appreciation.

MURRIN CLARK.

## OIL GEOLOGIST SPEAKS MONDAY

Dr. D. C. Barton of Houston Will Deliver Lecture on Salt Domes

Salt domes will be the subject of a lecture to be given in Biology Laboratory 12, Monday afternoon at 5 o'clock by Dr. D. C. Barton of Houston. Dr. Barton is head of the Geophysical Research Corporation of that city, and has been for a number of years engaged in the study of petroleum geology in this region.

He has been connected with several oil companies that have been successful in operation in Texas. According to members of the faculty of geology here, he is well known as an authority on the geological occurrence of oil, particularly on the Gulf Coastal plains.

In territory of this sort, oil occurs in connection with underground salt domes and the study of the occurrence and method of location of these is therefore of paramount importance to the oil operators in this region, it is said.

The lecture Monday is a part of the regular program of the University Public lectures committee.

## OKLAHOMA GETS REGENTS BOARD

Seven Members in Non-Partisan Body Appointed by Governor

In the last session of the Oklahoma Legislature, a bill was introduced and passed providing for the appointment of the Board of Regents to consist of seven members to be appointed by the Governor, by and with the consent of the Senate.

The members are to have a tenure of office of seven years, and are to constitute a non-partisan board with not less than three of its members to be alumni of Oklahoma University. The Governor is to have the power to fill vacancies, but only for the residue of the term. The members are subject to removal as provided in the Oklahoma Statutes and by that method only. The bill is so arranged that one member goes out of office each year.

## Littlefield's Frosh Meet Schreiner Soon

Headed by the brilliant John Terrell, one of the best 440 men the University has had in some time, Coach Littlefield's frosh will take on Schreiner Institute May 13. The frosh won the last match after a hard fight and it is confidently reported that the Kerrville boys have blood in their eyes and sand in their hair, and have sworn to bring home the bacon or stay away forever.

## POSTPONED EXAMINATIONS

Postponed, advanced standing, and examinations to remove conditions will be held beginning May 12. The last day that application could be made to take these examinations was Thursday, May 5. Registrar E. J. Mathews urges all students who signed up to take these examinations to be sure to appear on the day assigned, because failure to take such an examination, once a permit has been granted, calls for a grade of "F" in the course involved.

## Cowboys Stage Spring Picnic on Sunday

Celebrating the recent initiation of new members, the Texas Cowboys will stage a moonlight picnic Sunday night "somewhere on Barton Creek," according to announcement by Gerald Coffey foreman.

Forty Cowboys and their dates will join in the event, making the trip Sunday afternoon to the scene of the picnic in automobiles furnished

ed under direction of a committee headed by Burt Dyke. Barbecued chicken and other delicacies are among the things to be served, Dyke said.

The Cowboys will meet at the east end of the Main Building Sunday afternoon at 4 o'clock to prepare for the trip, the entire party leaving from that point for the picnic grounds.

This will be the final social event of the organization this year, Coffey said, but one more business meeting will be held before the close of the session.

GET it all. Don't miss any of it, the dizzy lights and party-colored frocks; stepping to the frenzied blare of saxophones; senses tingling with being alive and in the midst of it all. And next day—instructors who are likable but exacting.

To get the most out of college you must be full of vitality, must have every nerve and muscle working full time. Right food is the key to it. The Shredded Wheat habit will help you to make mind and body alert and throw off the poisons that bring sluggishness. You'll like it, too. It's appetizing eaten half a hundred ways; smothered in fruit and cream or toasted with butter and hot milk are just two of them.

Hancock: Gloria Swanson and John Boles in "The Love of Sunya."  
Majestic: Lois Moran and Donald Keith in "The Whirlwind of Youth."  
Queen: Matt Moore in "The Mystery Club."  
Crescent: Milton Sills in "The Silent Lover."  
Texas: Charles Ray and May McAvoy in "The Fire Brigade."

## HANCOCK

"The Love of Sunya" is a story of conflicting love and ambition fraught with mysticism of the seers of ancient Egypt.

It is far different from the usual story presented on the screen and it in itself should attract many persons to the Hancock Theatre for its final showings today.

Miss Swanson is supported by a strong cast including several faces new to the screen. Prominent among these is her romantic lead, John Boles, who is a former University student and has been identified with the work of the University Curtain Club.

The star, with Albert Parker, her director, has produced a masterpiece and no one should miss seeing it.

## TEXAS

In point of acting, direction and story, "The Fire Brigade" qualifies as one of the really great pictures it has been the good fortune of this reviewer to witness.

This great love story, staged against a thrilling fire background, opened at the Texas Theatre yesterday. It is a Metro-Goldwyn-Mayer picture.

"The Fire Brigade" brings back to the screen the Charles Ray every-one loves in a role that lifts him to new heights. May McAvoy is seen in the leading feminine rôle opposite Ray, and plays the part with a sincerity that adds immeasurably to her histrionic rank.

An excellent performance is given by Holmes Herbert as James Carwin, Tom O'Brien, and Eugenie Besserer as the mother.

## TEXAS WINS

(Continued from page 1)

hit by Shelton, Hopkins laid down a bunt, and Sisco overthrew third, allowing Olle to go home. Walker then sacrificed Baumgarten in. Texas cinched the game in the next stand by a landslide of four tallies. Harris hit, Webb sacrificed him to second, Olle got on base on Sisco's error, Baumgarten singled, Hopkins flew out, and Walker's last homer scored two ahead of him.

### The Box Score:

Two base hits: Roach. Home runs, Walker 2, Jones, Shelton. Left on bases: Texas 6, Baylor 7. Double play: Hopkins to Allen to Walker; Forbes to Walker. Hit by pitcher: Allen and Baumgarten by Shelton. Forehand by Olle. Base on balls: off Shelton 4, off Olle 1, off Forbes 1. Struck out by Shelton 2, by Olle 4. Winning pitcher, Forbes.

### RICE BEATS AGGIES, 4-3

The Rice Owls defeated the Texas Aggies 4 to 3 Friday in the first of a two-game baseball series at Houston. This loss, along with the Texas two-game win over the Baylor team, puts Texas well in the lead for the championship pennant.

## BORGLUM

(Continued from page 1)

doplaicism of the art of England and other old world countries. Now, that Texas is not far from a hundred years old, it is up to us to turn our eyes from the old world splendors, from old world art and sculpture, and reproduce in our art the beauties of our own state."

### Sculpture Head

Borglum, designer of the Stone Mountain Memorial, is to head the University School of Sculpture which will be opened for the first time next fall. No definite plans have been made for the school, but it is certain to become the mecca of all art students of the whole western part of the country. There is no school of sculpture of any importance in the West, the one in Chicago being the largest and best in the country. The personnel of Borglum's teaching staff has not been decided upon, but he has offered to loan to the University his best assistant, Hugo Gilla, who is one of the best trained ornamentalists in this country, and who is with him now in San Antonio.

Massachusetts Institute of Technology School of Chemical Engineering Practice

Individual and practical training at five industrial plants are important features of the Graduate Course in Chemical Engineering Practice. Field work is carried out at Bangor, Me.; Boston, Mass.; Buffalo, N. Y.; and Bayonne, N. J.; in plants producing sulphite and soda pulp, paper, caustic soda, chlorine, heavy acids and salts, sugar, coke, gas, steel, petroleum and other chemical products.

The more important operations of Chemical Engineering, as typified by the above processes, are studied systematically by tests and experiments on actual plant apparatus, thus fixing in the student's mind the principles of Chemical Engineering and correlating these principles with practice.

The work is non-remunerative and independent of plant control, the whole attention of the students being directed to study and experimentation.

Registration is limited, as students study and experiment in small groups and receive individual instruction by resident members of the Institute's Faculty.

Admission requires adequate preparation in chemistry and engineering. Able students can complete the requirements for the Master of Science degree in one and a half years.

For further details address the

SCHOOL OF CHEMICAL ENGINEERING PRACTICE

# CLOSE COMPETITION ANTICIPATED IN DUAL MEET WITH AGGIES TODAY

## Rivalry in Dashes and Hurdles; Meet at College Station

Today Texas University's track team faces the hardest dual track meet that it has engaged in for five years of its undefeated record. It will be a case of a good team against a team nearly as good with the home environment advantage. The Aggies have beyond a doubt a team which, if not as good as Texas, approximates it to the closest possible degree.

On April 2 when the Farmers journeyed to the Stadium, they gave the Longhorns a never-to-be-forgotten fight, which was not decided until the versatile C. B. Smith picked up the javelin and gave the spear the longest ride he has ever given one. The meet terminated with a 63 to 54 score favoring the Longhorns.

Today the Steers are in better condition than then, while the Farmers have improved steadily. Landa, stellar Texas dash man, is suffering from a strained muscle received in the Rice meet, and Patteson, de luxe pole performer, has not recovered from a recent illness sufficient to insure Varsity his usual contribution of first place in the pole vault.

### Kennedy vs. Stallter

Kennedy and Rosy Stallter will have a battle royal when the two starter's pistol sends the two stars on the cinder track and over the hurdles. In the high stick event, Stallter will have a good opportunity to beat the Cadet, while in the low obstacles Kennedy will probably triumph.

Cockrell will have the century and 220-yard dash all his way, according to the present dope. Landa, with his injury healed to an untried degree, will be an uncertain man. Scotty Wysong may place for Texas in these events. Buck, the Aggie sprinter, will be certain to finish up well in the short dashes, with a chance to win a first in the 220.

Parker, Farmer captain, is sure to have one of the toughest assignments of his life, when he takes on Daniels. In the meet with Rice last week, the youngster won the quarter with the remarkable time of 49.2 seconds, the fastest time made in this event in the South for some time.

Shepherd will have little opposition in the high jump. The only threatening Aggie is Ashley, who is not immune from being beaten by Howe, a new Texas high jumper. McKenzie and Bartlett will be certain to have more difficulty in taking the shot put, with little likelihood of both of the Aggies winning. Hargis of Texas will put up a good battle for first honors with the iron ball. Robbins and Speights will also do their stuff for the Longhorns. Hargis has an excellent chance to slip up on the Aggie for a win in this affair.

In the two-mile run, Texas will have the veteran Spider Connor running his favorite race. Childress, A. & M., faces serious opposition in the first of the two dual meets here. Smith will probably repeat his performance and annex both first in the javelin and broad jump. Ashley, Farmer, however, is to be seriously considered as a menace in the javelin.

Tiny Gooch is a sure bet in the discus for Texas. The 880-yard run is a very doubtful race.

The mile run will be a pretty duel between Miller of the Longhorns and Hale of the Aggie team. The one-mile relay will be the best event of the day, with Texas having a far better chance to cop the event than they had when the Farmers came here on April 2.

## Girls Glee Clubs in Massed Recital

Final programs for both the Choral Club and the Girls' Glee Club will be given Tuesday and Thursday evenings respectively. These two programs will practically close the work of these organizations for the year, according to Oscar J. Fox, director.

The Choral Club will give its concert at the Y. M. C. A. auditorium. Solo parts will be sung by members of the organization, assisted by Vernon Ellledge. A mixed group of chorus numbers and a cantata will compose the program.

On Thursday evening the Girls' Glee Club will present in public performance a group of songs and special numbers and skits. These concerts are free.

A Souvenir of Varsity. The Texas Ranger, University comic magazine. At the University Co-op.

## Mail Out Bulletin Describing Varsity and Its Advantages

More than 15,000 illustrated bulletins of the University of Texas were sent this week by the Registrar's office to the high school seniors over the state. The pamphlet, bound in white and bearing the Texas seal, has many pictures of University buildings. These include photographs of the Main Building, library, Garrison Hall, Education Building, Biology Building, and B. Hall.

All the girls' dormitories, Scottish Rite, Kirby Hall, Newman Hall, Grace Hall, and Woman's Building, are included, as is the picture of the Little Campus structures. A group picture of the freshmen making all A's during the fall and winter terms is included.

Throughout the bulletin there are photographs of the heads of the various schools and organizations, including Deans Benedict, Taylor, Moore and Terrill, and William L. McGill, Clyde Littlefield, and Dr. Penick.

These pictures serve to illustrate the written matter concerning life and activities at the University.

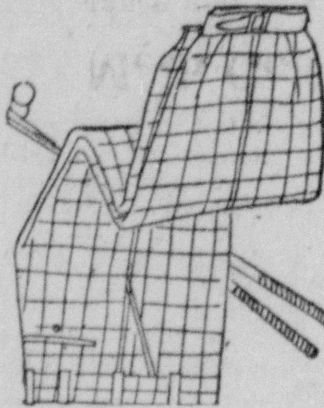

Among other things there is a discussion of the requirement for entrance and degrees, honor societies, student activities with a warning to the new students that studies are of more importance than outside activities.

Besides general information concerning the Academic School, the bulletin touches on the College of Engineering, School of Law, School of Education, School of Medicine at Galveston, and College of Mines and Metallurgy at El Paso.

A Souvenir of Varsity. The Texas Ranger, University comic magazine. At the University Co-op.

# OAK CLIFF, AUSTIN, EL PASO, HOUSTON BOYS' SINGLES TEAMS TO PLAY TENNIS SEMI-FINALS

El Paso high school boys singles team in tennis fought their way to the semi-finals in the University of Texas Interscholastic League meet yesterday afternoon, and are paired against the Oak Cliff team, while Houston will meet Austin's well-balanced team this afternoon.

The results of the girls' doubles are as follows: Georgetown defeated Kerrville, Chillicothe defeated Marfa, Paint Rock defeated San Antonio; Calvert defeated Willis Point. Chillicothe will play Calvert in the finals.

In the girls' singles, Robstown defeated Dallas (Highland Park); Wallis defeated Georgetown; Liberty defeated Kikkland; Wheelock defeated Taylor; San Antonio defeated Paint Rock; Sweetwater defeated Collette, Eastland defeated Logh. In the third round Galveston defeated Robstown, Liberty defeated Wallace, San Antonio defeated Wheelock, Sweetwater defeated Eastland. The winners of this third round go into the semi-finals.

four contractors, but a discrepancy in one of them made it necessary to refer the matter to the Attorney General's department before any action could be taken on them.

Contractors were asked to make their bids in one unit for the furnishing of the entire building. One of them, however, was made in two units, one unit for the upper floor and another for the lower. The sum total of these two units was \$3000 in excess of the amount appropriated by the legislature for the furnishing of the building.

Work has been going on the building for more than a year. The construction work was done by the McKenzie Construction of Dallas at an approximate cost of \$300,000. The dormitory is a gift of the estate of Major Littlefield to the University. Only freshmen women will be housed there. The building will not be ready for occupancy until possibly the beginning of the next long session.

## DORM BIDS GO TO POLLARD FOR DECISION

Bids for the furnishing of the Littlefield Dormitory for freshmen women, which has just been completed by the contractor, will not be passed upon until the first of next week, according to information given out Friday afternoon by the Board of Control and the Attorney General's Department.

Bids were received yesterday from
