19 October 1968

MEMORANDUM FOR MR. ROSTOW

1. There have been no significant changes detected recently in the Soviet forces deployed against Rumania. However, the location of those forces involved is such that we would be unlikely to detect a major fraction of such changes.

3.4(b)(1),(3) 2. There are no new photos of the border area with which to compare against those taken in late August. [REDACTED]
