Box 729
Havana, Cuba

Dear Dr. Bronniman:

There is a distinct possibility that we might be able to use a man of your qualifications in the near future. If you are interested in becoming a member of the staff of the Geology Department here, please fill out the enclosed application blank. You may not be able to supply the official college transcript because European Universities usually don't have any. At any rate I would appreciate a letter from you telling me whether you are interested or not.

With best personal regards.

Sincerely,

H. B. Stenzel
Chairman
