Dear Bennett,

A letter to countermand a letter to countermand a letter! God forgive me,  
for always critically examining my lists just when books aren't available (the University  
Library here will be closed for yet another week this Easter). Your original  
SAO must, I must, be right. I have my own Marouzeau, and it misled me  
(or such copies as are here) by not listing Studia et Acta Orientalia. I therefore  
wrongly assumed an error — and gave you two solutions, both wrong! I see  
SAO was in Gurnach BKME.

I think I ought to give up sending you conicenda!

Yours sincerely,  
L. J. Phillips
