

SHBALL CONTEST AND BACON FRY TO FEATURE MARCH 2

Executive Committee Planning
Many Events for Observance
of Texas Holiday

Plans are being made for a rousing
celebration of March 2
year, according to Benton Mor-
son, chairman of the student com-
mittee on arrangements, who today
public some of the plans for

The entirely new feature is
added in addition to the established
feature of the occasion, this being
a fry in East Woods at which
students will be the special
feature of the present student body.

Convocation at Gym.
Observance of the day will begin
at 10 o'clock when the state cannon
will be fired from the campus in
front of the Main Building. The
band will then begin play-
ing patriotic airs suited to the day.

Signal for the students to come
gather around the flagstaff, which
will fly the state flag. Promptly at
11 o'clock the band will lead the way to
the gym for the formal in-
auguration of the celebration. Two
talks will be made, one by
Judge Paddy for the student body,

the other by a speaker to be an-
nounced later. Less than an hour is
allotted for this part of the pro-
gram, which will include, also, the
pushball contest.

Immediately after this the crowd
will proceed to Clark Field to wit-
ness the historic pushball contest be-
tween the freshmen and sophomores,
which is a tradition in the Univer-
sity and always a subject of great
interest.

Then comes the unique feature of
the day—the bacon-fry in East
Woods. The ex-students of the Uni-
versity are particularly invited to
attend the students for this part of
the celebration, and it is expected
that great numbers of both students
and visitors will join in the fun.

Definite plans have as yet been
made for the afternoon, since it is
a question as yet undetermined
whether that time should not be left
for lake trips and picnics. Any
amusement planned will be an-
nounced later.

Dance at Woman's Gym.
At the evening, according to
plans, there will be a general
dance in the woman's gym, not in-
tended to conflict with the other
plans, but to make it possible
for a greater number to be en-
joyed.

The Ex-Student's Association is
showing special interest in the plans
for this year's celebration and add-
ing their support to make it a thor-
ough success. Mr. John A. Lomax,
with Miss Eunice Aden, is
on the committee in the making
of arrangements.

AL FIGHT FOR
INTER-FRAT CUP

Gamma Delta and Lambda Chi
Alpha to Contest for
Championship

Gamma Delta and Lambda Chi
Alpha will meet Wednesday night at
10 o'clock in the Men's Gymnasium
for the championship of the
Interfraternity Basketball League.
Gamma Delta won out in A league with
a score of 1,000 per cent, and the
other did a similar stunt in B league.

Contest on Wednesday will be to
determine who is to receive the Inter-
fraternity Basketball cup and to find
which frat will receive the bas-
ketball points toward the general in-
terfraternity athletic cup. If the
lives up to standards set dur-
ing the season it will be close and ex-
citing with neither team securely
in the lead until the very finish.

Everyone who comes will be
charged to this. The 25 cents for
admittance. The plan for this is that
there is a plan
not to buy a general interfrat-
ernity athletic cup to be awarded to
the fraternity which secures the best
average during the schol-
arship year. Funds are needed for
purpose, and this is the method
used upon to raise them. It is
expected that those who come will
be repaid for the meager
amount which will be required.

FINAL PLANS FOR SAVINGS SECTION BEING ARRANGED

Executive Committee to Con-
duct Campaign Is Announc-
ed by Director

Final plans for the organization of
the University of Texas into the first
unit of the college savings section of
the government savings division of
the United States Treasury Depart-
ment, will be made at a meeting of
the executive committee on Tuesday
afternoon, according to a statement
from John H. Awtry, student thrift-
savings director of the University.

The executive committee, with its
subdivisions, appointed by Mr. Aw-
try is as follows:

General program for the Univer-
sity, Wallace Hawkins, Mab Harrison,
Tommie Pinckney, and Dan W.
Jackson; advertising, Hulon W. Black
and Raymond Murray; speaking, Er-
nest May and George Paddy. Judge
I. P. Hildebrand has also been added
to the faculty committee.

President Robert E. Vinson will
address the Tuesday afternoon meet-
ing, provided he is in the city on that
day.

Definite plans will be made and
arrangements will be put under way
which will enable the savings cam-
paign to begin about the middle of
March, at which time it is expected
that Dinsmore W. Hume, director of
the Eleventh Federal District, will
be in Austin again to aid in pro-
jection of the plans.

Vary in Price.

To create the desire to save and
get ahead and to make it possible
for this desire to be gratified, the
United States government is issuing
government savings securities in
amounts ranging all the way from
25c to \$1000. These savings securi-
ties are known as 25c thrift stamps,
\$5 war savings stamps, and \$100 and
\$1000 registered treasury savings

MASONS PLAN FOR SMOKER IN MARCH

Judge Sadler Addressed Last
Meeting of University
Study Club

"The History of Freemasonry"
was the subject of a lecture given
the University Masonic Study Club
Friday night at the Scottish Rite
Cathedral by Judge S. P. Sadler of
the Court of Civil Appeals. Judge
Sadler is one of the prominent Ma-
sons in the community, and knowing
his subject well, made his lecture
very profitable and interesting to
those who heard it.

The committee of the smoker re-
ported that a smoker would be held
on March 6. It was primarily planned
for all University students and pro-
fessor who are Master Masons, but it
was decided to include any Masons
living in town who might wish to
come. Tickets have been printed
for the smoker and may be obtained
from the following: Ed Dunlap, Wil-
liam R. Hughes, William Nathan, W.
L. Cox, Julian Cohn, and E. E. Press-
ler. The smoker is to be attended
by many of the prominent Masons of
the city, and a royal good time and
get-together is assured. The com-
mittee advises all University Masons
to get their tickets early, as the de-
mand will probably be great.

RAMSHORN HELD SESSION.

A discussion of the recent wireless
phenomenon received in New York
and London, and believed by Marconi
to be messages from Mars, was one
of the interesting parts of the pro-
gram at the Ramshorn Debating So-
ciety on Tuesday. C. H. Geue dis-
cussed the subject fully.

John Graham explained the "De-
velopment of Macadamized Roads,"
Grady Fuller recited "The Spell of
the Yukon," and J. M. Garrett told
of the development of the "Gothic
Window." John Humphries ended
the varied program by giving the so-
ciety a humorous speech, which was
very much enjoyed, and he was
elected the best speaker of the eve-
ning. After the program a short
business meeting was held and final
plans perfected for the society's part
in the engineering banquet.

Washington Crossing the Delaware To Date

University Girls Dance Quaint Colonial Minuet at Reception of D. A. R.

Back to the days of '76, of pow-
dered hair, of hoops and the minuet
went the reception given by the
Daughters of the American Revolu-
tion yesterday afternoon in the
home of Mrs. Frances Evans. Per-
haps the piles of snowy white hair
above fresh young faces, caused a
few sighs from those whose "crown-
ing glory" was no mere imitation,
when thoughts of past balls and teas
came rushing back over the years, but
only for an instant—for all were
young in a stately colonial manner.

The silver tea, as it was called, was
given by the Thankful Hubbard
chapter of the Daughters of the
American Revolution, which is the
oldest chapter in Austin. It was
given in preparation for the annual
state convention of the D. A. R.
which will meet in Austin this coming
November.

Mrs. Evans' beautiful old home,
with its high ceilings and dark
carved woodwork, furnished a fit set-
ting for the colonial minuet danced
by eight University girls from the
Andrew Carothers chapter of the
D. A. R. Misses Katherine Caroth-
ers, Floy Lewis, Florence Malone,
Mae Rene Flannery, Minna Gill, Ar-
mede Hatcher, Mary Barbour Taylor
and Keith Coppage composed the
group who contributed the chief fea-
ture of the afternoon.

Y. M. C. A. PLANS FOR EVANGELISTIC SERIES

Plans for an evangelistic campaign
under the auspices of the Y. M. C. A.
are now being formulated. This
proposed campaign will in all prob-
ability take place some time during
the spring term, but thus far no defi-
nite arrangements as to the time or
the speakers have been made.

It is the plan of the Y. M. C. A. to
have the campaign some time as far
removed from either of the exami-
nation periods as is possible, but just
when that opportune time will be
has not yet been settled.

Several petitions for speakers have
gone out from the office of the Stu-
dent Association, but it has not been
agreed as to who will conduct the
campaign when it is launched.

NO PAPER ON TUESDAY.

Following the usual custom of this
paper, there will be no Texan issued
for Tuesday morning, on account of
Monday being Washington's birth-
day. The next issue will be on Wednes-
day morning.

SHORTHORNS MEET HARD OPPOSITION

Gain Victory Over Houston
Triangles—Lose Game to
Allen Academy

Playing brilliant basketball, the
Shorthorns defeated the Houston Y.
M. C. A. Triangle Wednesday night
in Houston by a score of 35 to 27.

The game was hard fought
throughout, the Triangles having on
their team such men as Joe Thomp-
son and Joe Secor, both of whom are
former Texas basketball stars. The
Shorthorn lineup included Miller,
Swenson, Peyton, McCullough, and
Harris, all of whom played the entire
game.

Lose to Allen.

Friday night the Shorthorn five
lost to Allen Academy at Bryan by a
score of 27 to 8. The game was hard
fought to the end and although, at
times, the playing was rough, the
Allen Academy won the game by a
series of long shots to the goal. Mc-
Cullough of the Shorthorns was ab-
sent.

The Shorthorns played Allen
Academy again last night, but at
press time no report could be had as
to the result of the game.

Besides the second game with Allen
last night, Coach Roy Henderson is
trying to make arrangements for the
Shorthorns to play A. and M. second
team on Monday. The Shorthorns
defeated the A. and M. ineligibles on
their recent trip to Austin.

GOV. HOBBY CONFERS WITH DALLAS FRIENDS

Governor W. P. Hobby is now in
Dallas, where he went Friday night
to spend a few days with relatives
and at the same time confer with
friends on the question of entering
the race for re-election as Governor
of Texas. It was stated in several
sources that the Governor has been
urged to head the Texas delegation
to the Democratic convention at San
Francisco, and while at Dallas he may
decide what he will do on this propo-
sition, also.

LECTURE POSTPONED.

A telegram received yesterday by
W. D. Hornaday, chairman of the
committee on public lectures, from
Frederick Dean of New York, stated
that Mr. Dean would be compelled
to postpone indefinitely his engage-
ment, on account of sickness.

Mr. Dean was booked to speak
here next Tuesday night, but ac-
cording to the telegram received he
will be unable to fill the engagement
at present.

Girls Born in February Will Cut Birthday Cake Next Thursday Evening

All girls who have their birthday
in February will be entertained by
the social committee of the Y. W.
C. A. on next Thursday evening.

Something new in the entertain-
ment is promised by the chairman
of the committee, Sadie Scovall of
Austin. As usual, the time-honored
birthday cake will be served, and all
the merriment resulting from the
favors found in the cake will, as on
other occasions, make a joyous hour.

Aside from the cake-cutting and
the resulting enjoyment, there will
be several other features which will
contribute to the evening's pleasures.

There will very probably be a story
feature and also a musical number.
The committee had planned to give
the party on last Friday, but due to
the holiday in commemoration of Dr.
E. W. Fay, the party was postponed.
The plans were to have a Washing-
ton's Birthday feature on the pro-
gram and to make the whole enter-
tainment circles around the memory
of Washington. Although these plans
were abandoned, it is promised that
the girls who have their birthday this
month will be shown a good time at
the party on Thursday night of next
week.

MID-TERM EXAMS MAKE CHANGES IN PROBATION

According to a statement given
out by Dean H. Y. Benedict of the
College of Arts, there are fifteen
students who were placed on proba-
tion at the end of the fall term back
on the list since the mid-term exami-
nations. This number includes
seven first-year freshmen and eight
second and third-year freshmen and
upper-classmen.

There were about ten or twelve
students continued on probation be-
cause of sickness. Ninety-five stu-
dents were taken off the probation
list since the mid-term examinations.

A complete report of the number
of bust-outs and students on proba-
tion is not available at the present,
but a complete statement will be
published next week.

TAYLOR IN HOSPITAL.

Dean Taylor who is now in the
hospital after having undergone an
operation last Wednesday, was not
very well yesterday, but was getting
along as well as could be expected
under the circumstances. It is ex-
pected that Dean Taylor will be able
to attend the Engineering Depart-
ment banquet, which will be held
Saturday, February 28.

ELABORATE PLANS BEING MADE FOR FROSH RECEPTION

Popular Orchestra Will Fur-
nish Music for Annual
Class Affair

Music for the annual freshman re-
ception will be furnished by the Jack
Gardner Jazz Orchestra, according to
a statement given out by the fresh-
man reception committee yesterday.
The affair is to be held Monday eve-
ning, March 1.

The reception will start at 8:30
sharp on Monday evening. The
grand march, led by the president of
the freshman class, will start at 9
o'clock. The cotillion will be held at
10:30. The orchestra will play spe-
cial numbers for both of these
dances. The dancing will start at
8:30 and continue until 1 o'clock.
One of the best floors in Austin has
been secured, and everything now
points toward a grand success.

Tickets on Sale Soon.

Tickets for the reception will be
placed on sale next Wednesday. W.
K. Chandler announces that there
will be only a limited number of
these tickets put on sale, as many
of them are being reserved for the
members of the vigilance committee.
These tickets can be secured after
Wednesday from any member of the
reception committee or from the
members of the ticket committee,
which will be appointed at the next
class meeting.

Carl Weller, freshman president,
announces that he is going to call
a meeting of the entire freshman
class at the beginning of next week,
and he wants every loyal freshman
to be there. "The time is drawing
near when concerted action on the
part of the freshmen is needed if
any of the coming affairs are to be
successful," is the statement of
President Weller. This meeting will
be the first and last before the push-
ball contest and the reception, and
therefore the last time for the fresh-
men to get together.

PRE-MEDS TIE IN GAME WITH LAWS

Hot and Close Game Played
as Curtain Raiser at
Gym Last Night

Pre-Meds and Laws tied in the
curtain raiser last night with the
final count standing 7-7. The tie will
be played off in the near future, the
exact date to be announced soon, and
at that time a great advance will be
made in the standing of the League,
since only these two teams have un-
defeated records.

The game last night was close and
hot. Frequent fouls were called, due
not to much to the intentional rough-
ness of the players as to the fast
play. With all the halts occasioned
by free throws, the spectators' inter-
est was held throughout.

Players: Pre-Meds—W. R. Pow-
ell, T. J. Moffitt, T. C. Martin, D.
Anderson, R. Hancock, C. F. Os-
borne.

Laws—O. Craft, J. H. Neel, S. B.
Buck, F. L. Townsend, G. C. Kemble,
Abe Yeager, Jordan.

RUSK HELD DEBATE.

Rusk Literary Society met last
night in regular session and listened
to an oration by E. P. Hornaday en-
titled "Strikes and Strikers." Fol-
lowing the speech by Mr. Hornaday
came a debate upon the question,
"Resolved, That No Man Should Be
Permitted to Participate in Intercol-
legiate Athletics in More Than One
Sport, and for Not More Than Two
Years in That One." M. J. Lehman,
Hardy Hollers and R. J. Joplin spoke
for the affirmative, while G. N. Bru-
baker, R. L. Cannon and J. K. Web-
ber held out for the opposition. The
affirmative was awarded a unanim-
ous decision by the judges.

Upon next Saturday night the so-
ciety will hear a discourse upon the
question of trying the German lead-
ers, by Reuben W. Gray. The debate
will be upon the question, "Resolved,
That There Should Be Compulsory
Arbitration of All Disputes Between
Capital and Labor." J. G. Little, W.
P. Goar and A. B. Cook will appear
upon the affirmative; Roy Sansing,
R. S. Ford and R. A. Grundy upon
the negative.

PIRATES SUFFER DEFEAT AT HANDS OF VARSITY FIVE

Longhorn Come-back in Second
Half Brings Victory With
a Score of 23-12

Texas celebrated the last home
game of the basketball season
last night by wiping up on South-
western to the tune of 23 to 12.
When the first half ended the visitors
were in the lead by three points with
the score standing 10 to 7. After
the game was begun again, the Long-
horns, strengthened by the reappear-
ance of Captain Russell, who has
been out of the game for the last sev-
eral games, proceeded to run up a
rally that completely swept the Pi-
rates off their feet.

The first half of the game be-
longed clearly to the visitors. They
were more accurate with their pass-
ing, they were quicker on the court,
they covered their opponents better,
and they were better shots at the
baskets. During this period the
work of Herrera, Wilkerson and Os-
tergard shone out. Herrera and
Wilkerson were not only fast for-
wards, but they were also first-class
guards in spite of being lightweight.
They fought hard, and they were
fruitful sources of trouble for Mc-
Cullough and Hill. Ostergard was
the only Pirate who threw as many
as two field goals. He was also an
excellent guard, and he managed to
prevent several possible Texas goals.

Longhorns Start Off.

The second half showed up an al-
together different form of playing.
The Longhorns came in with the de-
termination to win, and from the time
that Knebel started things off with
a field goal, the ball was almost con-
stantly in possession of the Orange
and White. The five came back with
accurate passing, and they recovered
their eye for the hoop. They got
the best of all the scrimmages for
the ball and they were faster on their
feet. During this half, after the first
two or three goals, the game's out-
come was never in doubt.

One cheerful feature of the game
was the entry of two men who have
been counted as being out for the
rest of the season. One of these was
Captain Russell, who has been sick
for the last couple of weeks, and
who, according to all rights, was due
to finish the season on the sick list.
He refused to stay out, however, and
he played with as much spirit as
ever last night. Duckett also came
back. He was put out a few weeks
ago with a badly sprained knee, but
he also made up his mind to get well.

TEAM FROM B. HALL FIRST FLOOR WINS

Champion Inter-rooming House
League Holds Record
for 100 Per Cent

B. Hall First Floor is the winner
in the Interrooming House Basket-
ball League. This is the only team
of the eight contesting which has a
record of 1,000 per cent, and conse-
quently it is the one which is to be
warded the cup going to the league
champion. The team was defeated
on one occasion, but the game was
thrown out by a committee of the
league council, and so the First Floor
was able to finish first.

A great deal of interest was
aroused in this league. Eight teams
were brought into it, and all of these
showed much enthusiasm. With this
as a start, great things ought to be
expected in the future.

Members of the winning aggrega-
tion are: Dick Hawley, W. R. Pow-
ell, J. A. McCurdy, C. A. McCurdy,
Douglas Anderson, Abe Yeager, Dave
Harris.

LECTURE SERIES POSTPONED.

Owing to the unforeseen delay in
the arrival of Rev. W. B. O'Dowd,
the series of talks that are to be de-
livered at St. Austin's Chapel, are
postponed until the following week.
Instead of beginning on Feb. 22, as
was previously stated, they will be-
gin on Feb. 29 and end on March 7.
These talks, which are for both Cath-
olics and non-Catholics, will be given
every morning from 6:55 to 7:15,
and every evening at 7:30.

Since Monday is a catalogue holiday, designed to honor the anniversary of Washington's birthday, no Texan will be published on that day. The next Texan will appear Wednesday morning.

ARE AMONG MANY.

The Texan has the distinction of being guilty of the worst proof error of the year, and whoever first sends a copy of Friday's paper to Judge should easily win the prize they offer for the discovery of "bad breaks." The last paragraph of the editorial in commemoration of Dr. Fay was written as follows:

"We are sure that the memory of Dr. Fay will live for a long time, and we hope that his life will inspire others to follow painfully the urge of 'the fiend that men harries'—'love of the best.'"

The linotype operator thought that "harries" must be a mistake since their companions "Dicks" and "Toms," were not mentioned, so he changed the phrase to "the field that men harrow"—"love of the best." And the issue editor, who reads proof on the editorials, didn't see anything wrong. Yet this issue editor left a prosperous rural community to come to the University to learn journalism! If anybody present is connected with the "back to the farm" movement, we will gladly give him the remainder of our monthly allowance for the good of the cause.

THOSE MIDNIGHT SESSIONS.

Like every other pleasure, the midnight session can be carried on so frequently that it becomes an excess, but an occasional session that breaks up well before morning is decidedly worth while if the topics and personalities that are discussed are interesting and enjoyable.

A classroom discussion can not take the place of these frank, intimate, democratic arguments that serve to reveal the souls of our friends as they are revealed at no other time. The time is not lost that is used to match wit against wit, and mind against mind, while tobacco smoke lazily curls toward the ceiling and a busy clock ticks on unnoticed.

It is then that the most sincere revelations of character are made; then when the truest ideals are brought timidly forward; then when the highest thoughts are pressed with the greatest eloquence. There is little doubt but what the greatest student movements for reform were born in the midnight sessions; there is little doubt but that the undergraduate has obtained most of his knowledge of men from these same meetings. Because it is a time of revelation, it is also a time when the most lasting friendships are formed.

Do not shun the midnight session. It is the most enjoyable and valuable laboratory course offered at the University—a "lab" in human nature.

MIDNIGHT MAUNDERINGS
By Buck

This is about the time of the year when the grind begins to believe that he has the laugh on his less academically active fellow-stude.

Angler Derby dope: By virtue of the Nary-a-head dance date, Ham has forged far out in the lead, taking the turn several fox-trots in front of his nearest competitor.

Some nebulously clad co-ed at K. C., Friday night, ambled over to a window between dances and began to gush forth a line of small talk that must have sounded like the attempts of a tyro manicurist. She suddenly espied a group of some twenty male studes (unaccompanied) seated on a luxurious woodpile outside the window. "Such an audience we have tonight!" she wittily exclaimed. Rank egotism, O Blatant One! There were there to hear the Louisiana Five.

Maxims of a campus bum: What riles me is that every hamfat actor that comes along with a bum act and sees she can't get away with it springs the old gag about what she did "for the boys in France." Tumultuous applause always follows.

Law library scene, any night: Various persuasive looking co-eds, all attired in multi-chromatic garb, flock down to the peaceful and studious tranquility of the haunts of Peregrinus, ostensible to study. Some diligent J. A., frantically searching for some dim meaning in the Nitroglycerine Case, looks up from his book of anguish and beholds a vision of female loveliness such as he never dreamed could venture into those haunts. He promptly disregards his Torts case and proceeds to regard her with that peculiar look with which a hungry and road-weary hobo views a hot wienerwurst. They'll do it every time.

Expecting another Leap Year non-assessable date in the near future. Miss Hawkshaw, in a very polite and suave manner came to the table in the library at which the Maunderer was assiduously studying, and requested his name. In order to make sure that he would find him, he volunteered his phone number, strangely exciting her anger.

Desiring at all times to keep up with the onward march of events, this column will now conduct a popularity contest a la Cactus, winners to be styled the "Midnight Wandering Beauties," to be personally selected at after-german suppers. Cigars and cigarettes from the escorts of contestants will be accepted as votes.

Ah, woe is me! If only the winner of the Cactus contest had been named Grace there would have been an excellent chance to pull something about that extra three days of voting the woolly Ishmaelite allowed after the announced closing. Three days of Grace! And now it would hardly do to call it "three days of Groce." Have to give it up.

Texas want ad: Wanted, a roommate; must wear 15½ collar and coat of at least 38 chest measure. Phone Enny Staag.

Viva, el nuevo track captain! Congratulations and best wishes to Dedie for success in the coming season, and also on receiving an unanimous vote. I wonder now, how he voted himself.

Would it be proper to ask the caretaker of a cemetery just what are the advantages of comporting one's self with grave demeanor?

Weather forecast for Sunday: Pretty day, nothing to do, many violent cases of homesickness, profuse porch-swing date.

After going through one of these Sundays most of us feel like rising up and howling for war—gory-headed war—anywhere, any time.

Well, I'll be going.

Hear Frieda Hempel at the Hancock Friday evening.

One could exist without jewelry, but life's happier through owning it. That's why jewelry is the ideal gift.

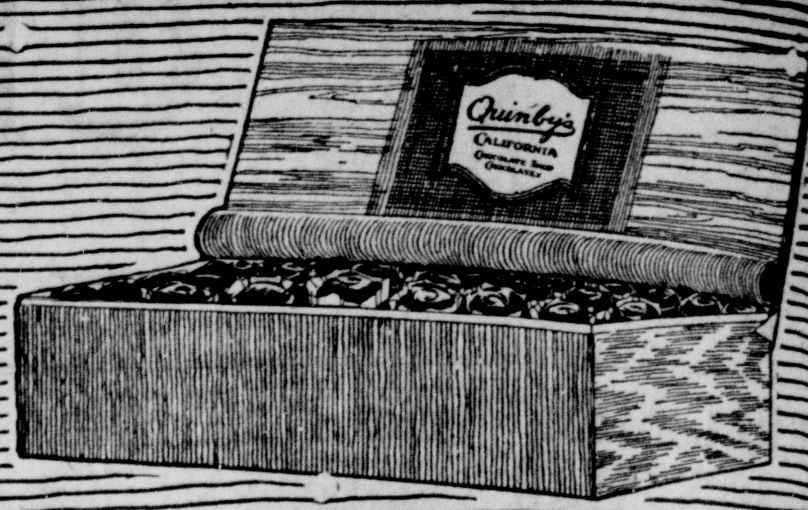

It gives happiness with no implication of charity. It's a thing of beauty, not necessary for creature comfort, but very much wanted, and delight in it lasts for years.

The quality of Mayer's jewelry makes it exceptionally suitable for gifts. Dainty, pretty, stylish, exquisitely designed and perfectly made, it leaves nothing whatever to be desired.

Arrowhead Dance.

One of the most delightful affairs of the year was given by the Arrowhead Dancing Club at K. C. Hall, Friday night.

The decorations were most effective in their simplicity. A drop ceiling of dark blue studded with stars was suspended from above, and red arrow-sheaths filled with arrows hung on the wall. Lights from inside these illuminated the ballroom. In the middle of the room punch was served from a vine-covered well. On the stage at the end of the room was an Indian scene.

The feature of the evening was the music, which was furnished by the famous Louisiana Five jazz orchestra.

The grand march was led by Zeke Crutcher, honoring Miss Louise Adair, and the cotillion by Smith Sims, honoring Miss Gaily Wilkes.

Dainty novelty neckpieces set with amethysts, the club's color, were given as favors to the young ladies, and Pall Mall cigarettes were given the men. A delicious two-course buffet supper was served after the dance.

The patronesses of the evening were: Mesdames Walter Bremond, W. B. Brush, F. T. Connerly, Fred K. Fisher, Ralph Goeth, Homer Hill, W. L. Hill, L. S. Leversedge, H. A. Lewis, W. J. Lincoln, M. K. Moore, E. H. Perry, F. E. Pryor, W. A. Rhea and R. C. Roberdeau.

Pre-Med Dance.

The Texas Pre-Medical Society entertained with a dance Friday evening at the Elks' Hall. Their colors, green and orange, were found in all of the decorations. The Sacred Skull placed at one end of the hall, gazed down upon the sixty-five couples present. The grand march was led by Ben Primer, honoring Miss Harriet Jones. The cotillion was led by Miss Enid Long, honoring Owen Barker. The favors were in the form of immense capsules filled with "red hots" and tied with the colors of the society. Confetti and streamers featured in the cotillion, and punch was served during the evening. The chaperones were Mr. and Mrs. Ettlinger and Miss Anna Hiss.

Phi Psi Banquet.

Phi Kappa Psi fraternity celebrated Founders' Day on Thursday, Feb. 19, with a banquet at the Driskill Hotel. With every pledge and the members of the active chapter present, the occasion was celebrated fittingly by a magnificent repast and a program of toasts.

Dr. H. C. Granberry of Austin, one of the first men ever initiated in the fraternity at the Virginia Alpha chapter in the days before the Civil War, was an honored guest on this occasion, and spoke upon the subject of "Fraternity Life in the Early Days."

Other guests present were Dr. J. L. Henderson and Dr. C. P. Patterson of the University faculty, both of whom also spoke briefly upon the fraternity life of their college days.

Carl Calloway officiated as toastmaster, and the following speakers were introduced: Hulon W. Black, representing the older men of the

and he consequently is back in uni-
form.

Another player was injured, also.
Knebel, who has already been a cas-
ualty once this season, was wounded
in action for the second time. This
time he cut a vein in his forearm.
It does not promise to be a very se-
rious injury, and the chances are
strong that the Waco boy will be
back in the lineup at Farmerstown
next week.

Barrett Best Player.

Barrett was the best player of the
Texas five. He put all he had into
winning, and he managed to worry
his opponents out of many shots
which were scheduled for the basket.
In spite of the fact that he was the
lightest Longhorn in sight, he man-
aged to make himself felt contin-
ually, and also managed to be high-
point man of the game with a score
of 10.

Knebel was next ranking man,
both in score and in playing. He put
nine points on the scoreboard, and
up to the time he was injured he
played a hard, steady, guarding game.
He played in two positions during
the game, first at forward and then
at center. McCullough was up to
standard and stopped player after
player who started toward the Pirate
goal. His playing last night was of
the order that is going to land him
a place on the all-state team.

Final Games Next Week.

Only two more games remain to
complete the season. Next Friday
and Saturday will find the Longhorns
in College Station for two more with
the Farmers. The A. & M. five has
continued serenely on its way, de-
feating all comers and maintaining the
snow white record they started with.
In the last game with Rice they
snowed the Owls under with a score
of 48 to 13. That will show what
the Longhorns will have to buck up
against. The students are still hop-
ing, however, that one of these last
games will put the crimp in this win-
ning streak.

The lineup of the game:

Texas.	Southwestern.
Barrow	Wilkerson
	Right Forward.
Knebel	Herrera
	Left Forward.
Duckett	Kennedy
	Center.
McCullough	Ostergard
	Right Guard.
Hill	Lamb (capt.)
	Left Guard.

Substitutions—Texas: Barrett for
Barrow, Barrow for Duckett, Russell
for Hill, De Vinney for Knebel,
Knebel for Barrow, Russell for
Knebel, Martin for Russell. South-
western: Foster for Kennedy, Crick-
heimer for Wilkerson.

Points scored—Texas: Barrett 10,
Knebel 9, Barrow 4; total, 23. South-
western: Ostergard 4, Kennedy 4,
Herrera 2, Wilkerson 2; total, 12.

Referee: Belmont.

at any bank or postoffice.

First to Organize.

The University of Texas has the
distinction of being the first unit in
the college savings section of the
government savings division. In
charge of university student thrift
activities here, Mr. Hume, who was
a recent visitor to the University,
has named John H. Awtry, law stu-
dent, as student thrift savings di-
rector for the University of Texas.
As assistant student thrift savings
chairman, Paul McMahon has been
appointed. Both of these were last
year on the field staff of the govern-
ment savings division as territorial
savings advisors.

To Save \$25,000.

The government believes that the
students of the Texas University can
this year save for themselves and in-
vest safely for future needs about
\$25,000 in thrift stamps, war sav-
ings stamps or registered treasury
savings certificates.

CELEBRATION FOR
MONDAY PLANNEDKnights of Columbus Are Ar-
ranging Program to Honor
Washington's Birthday

On Monday night at 8 o'clock, in
the Knights of Columbus Hall, there
will be held a patriotic celebration
of George Washington's birthday, to
which the general public is cordially
invited. The affair promises to be
a most interesting one, and the pro-
gram as given out by the committee
contains a number of addresses and
selections that will appeal very
much to a student audience, and the
Knights of Columbus, who are re-
sponsible for the celebration, would
be glad to see a large number of stu-
dents present.

Chief Justice Nelson Phillips is on
the program for an address on Wash-
ington, and as his ability in a forensic
line is well known, his address is an-
ticipated with much pleasure.

The students of St. Mary's Acad-
emy will have a place on the program
with two musical selections, "Bam-
boo Baby," by Caro Roma, and
"Smiling Flu," by Arthur Penn, and
they will also appear in costume at
the end of the program and lead in
the singing of the "Star-Spangled
Banner."

Newman Club Has Part.

The Newman Club of the Univer-
sity, by its dramatic club, is to have
a novel little vocal act, and it is un-
derstood that the famous "Agony
Quartet" of last term is to appear.

This quartet is under the direction
of Miss Margaret Goggan of Dallas,
and won for itself quite a reputation
last term under her able leadership.

The other numbers of the pro-
gram, violin solo by Mr. G. A. Sievers,
vocal selection by Miss Bessie
Sheldon, and recitation of Washing-
ton's Farewell Address by Mr. W.
R. Duffy of the Extension Depart-
ment are all by artists in their lines
and will doubtlessly be well received.

The Austin Boy Scouts will also
participate by a "salute to the flag,"
which will add to the impressiveness
of the occasion.

Judge John W. Brady of Austin
will be master of ceremonies, and
promises, with his usual wit and abili-
ty as a leader, to direct the affair
in an efficient manner.

A Varied Program.

The condensed program as given
out yesterday by the chairman of
the committee of the Knights of
Columbus, that has the affair in
charge, follows:

Introductory: Judge John W. Brady.

Chorus (a) "Bamboo Baby" (Caro
Roma); (b) "Smiling Flu" (Arthur
Penn): Students of St. Mary's Acad-
emy.

"Washington's Farewell Address":
Mr. W. R. Duffy.

Vocal selection: Miss Bessie Shel-
don.

Violin solo (selected): Mr. G. A.
Sievers.

Address: Judge Nelson Phillips.

Vocal selection: Newman Club.

Salute to the flag: Boy Scouts.

"Star-Spangled Banner": Lead by
students of St. Mary's.

Gloria Dawn little realized, when
she became the good Samaritan to a

ENGINEERS RECEIVE
SCHOLARSHIP OFFERS

Scholarships are being arranged
in several northern and eastern
schools for graduates of the Engi-
neering Department of the Univer-
sity of Texas. As yet only the Uni-
versity of Illinois and Massachusetts
Institute of Technology have inter-
changed lists with the University of
Texas, and they provide for electrical
engineering students.

The University of Illinois offers a
scholarship of \$500 or \$600 for re-
search in chemical and electrical en-
gineering. The Massachusetts Insti-
tute of Technology last year of-
fered assistantships in teaching, and
gave about \$500 or \$600. In either
school the student is allowed ample
time for graduate study.

BELL COUNTY EXES TO
CELEBRATE MARCH 2

Ex-students of the University re-
siding in Bell County will celebrate
Texas Independence Day, March 2,
with a banquet to be held in Temple,
at which President Robert E. Vinson
will be the principal speaker.

Plans for the banquet have been
under way for the past several weeks,
according to reports from Temple,
and it is expected that practically
every "Texas Ex" in the entire coun-
ty will be present at the celebration.
Complete details and a final program
have not as yet been announced.

DELTA TAUS WIN IN
INTER-FRAT HANDBALL

Delta Tau Delta is the University
Interfraternity Handball champion.
Her representative, Townsend of
Houston, won this honor by defeat-
ing the representative of Beta Theta
Pi in the finals for the cup. That
the contest was close may be judged
from the scores in the finals. Three
games were played, and of the first
two Townsend and McCaleb each
won one. The third game was hot
and fast, and Townsend barely edged
out a victory, 21 to 20.

This victory will count 25 points
for the Delta Taus toward the gen-
eral all-around athletic fraternity
cup. Beta will receive 20 points.
Other contests will receive points ac-
cording to how far they went in the
tournament.

NEW CLUB BIG SUCCESS.

The Students' Photo Club has be-
come very popular in its few days
of existence. The students realize
that they will get the best of service
in the photographic line by bringing
their films to be developed and
printed to The Co-Op, Y. M. C. A.,
the War Savings Bank, and the
Shinepar. Already a large number
of students have joined the club and
are now enjoying the benefits and
privileges of a students' organization.

The Students' Photo Club does not
require any dues, nor doesn't con-
sume any time, but gives the student
in return for his or her interest,
prompt and quick delivery accom-
panied with the best of service. The
Shinepar will furnish students cam-
eras and films on Sunday, the only
place in the city where one can get
them on this day. The Students'

MINSTRELS HAVE
NOVEL FEATURESBand Concert and Special Acts
Will Have Places at Pre-
mier Performance

Arrangements are rapidly matu-
ring for the staging of the Varsity
Premier Minstrels and Longhorn
Band performance, which will be
given at the Hancock Opera House
on the evening of March 2,
according to an interview with the
director.

The setting of the minstrel proper
and the vaudeville specialties will
have the touch of absolute originality
in every phase, and a series of sur-
prises is promised throughout every
section of the program. Stress will
be laid upon the uniqueness of each
act, and those in charge of the min-
strel portion have planned to break
away from the old traditional trend
of minstrels of the past.

A Concert by Band.

A creditable performance of the
band is assured from the intensive
rehearsals that are being held and
the music that will be played on this
occasion. The part of the band in
the performance will consist in a
well balanced concert program in the
form of a special act.

In addition to the minstrel proper

and the band concert, there will be
a series of special acts. The star
of the program promises to be the
of "Red" Bourn and J. P. P.
Holmes. Both of these players are
well known from former appearances
before the Austin public.

Following this will be a select
number of individual acts that will
compare favorably with present
"big time" vaudeville.

COULTER MEETING WITH
LOCAL Y. M. C. A. MEN

L. A. Coulter, secretary of the
state executive committee, and T. S.
Bilheimer will be with the local ex-
ecutive board of directors today to
discuss matters pertaining to the
finances of the local board.

The main feature of their coming
will be to discuss with the board of
directors the plans for united effort
in financing the local, state and na-
tional committee work. For this
purpose a meeting will be held
at the home of George W. Wain-
wright at 4 o'clock this afternoon.

Mr. Coulter will speak at the Uni-
versity Presbyterian Church this
morning at 11 o'clock.
