STUDENT BODY PASSES NEEDED AMENDMENTS

ASSEMBLY, MERIT SYSTEM, ABOLITION OF FINAL BALL, AND AMENDING PLAN GO THROUGH.

Four amendments to the constitution of the Students' Association were adopted Tuesday afternoon at the regular meeting. Three of these, providing for a Students' Assembly, a new method of amending the constitution, and the abolition of the Final Ball, passed unanimously in the form drawn up and posted on the bulletin boards. The amendment providing for the competitive system in selecting the editor of The Texan passed in an amended form.

The Texan amendment alone aroused opposition, the others being lost in the heated discussions which this one called forth. The opponents of the measure centered their opposition on the election of the editor by competition, and granted the desirability of a competitive staff of reporters. As a result the original amendment was changed to allow the reporters to be elected by an Advisory Board consisting of an alumnus appointed by the President of the University, a student member elected by the student body, and the Editor-in-Chief, while the Editor-in-Chief and Managing Editor are to be elected by the students at large. It shall be the duty of the staff to nominate one man for the position of Editor-in-Chief and Managing Editor respectively, and recommend their election. On almost every other point the two amendments agreed verbatim.

Before the adoption of the amendment striking out every clause in the constitution which mentions the Final Ball, resolutions were unanimously adopted to the effect that the Final Ball as now conducted is an unrepresentative student function and that the conduct of this affair should be left in the hands of the Students' Assembly.

The amendment providing for a new method of amending the constitution provides that any proposed change may be submitted to an Australian ballot election upon petition of twenty per cent of the students or upon the recommendation by a two-thirds vote of the Assembly. Two weeks' notice must be given.

The Students' Assembly was adopted without change from the form in which it was first submitted by the Committee of Forty.

JUDGE SIMKINS DELIVERS LECTURE ON KU KLUX KLAN.

Judge W. S. Simkins, of the Law Faculty, talked most interestingly to a large audience of students Thursday afternoon on the organization and work of the Ku Klux Klan. The speaker is admirably fitted for such a subject, for in the course of his talk he apprised his listeners of the fact that he was one of the organizers of the "Klan" in his old State of Florida. The talk was colored by vivid word pictures, and was made very lively by the repetition of some of the Colonel's lively experiences in the stormy days of Reconstruction.

SOPHS WHIP FRESHMEN IN FIRST CLASS GAME

SOPHS OUTLUCK RIVALS IN CLOWNISH EXHIBITION—FRESHMAN TEAM FAR SUPERIOR.

Overcoming a lead of 10-1, the Sophomore baseball team made a sensational finish Thursday afternoon and defeated the Freshmen by the score of 12-11. The Freshies had the better team and should have won easily, but their coach first pulled Bailey out after he had pitched gilt edge ball for five innings, having allowed but two hits and one run; and then at the end of the seventh he applied the hook to Winston, who had relieved Bailey, and pitched good ball. Gooch ascended the mound. The score stood 10-3, but the Sophs displayed a fondness for his inoffensive slow benders, and drove in five runs before "Zeb" could apply the hook. Bailey came in from right field and sought to stop the rally, but he seemed unable to locate the pan, and passed the first two men, and then Highnote hit to right field, driving in Stacy for the seventh consecutive run. McLimmond flew out to left field and ended the agony.

The Freshies failed to score in their half of the ninth. Bailey was out for batting out of turn. Blumdel lined out a two-bagger and things looked bright, but Drury hit a hot drive to Dealey who retired the side with a beautiful double unassisted.

The Sophs came in determined to win. Womble chose to drive one of Bailey's benders thru Leeper. Cartwright forced him to second by waiting for four bad ones. Knight placed a peach of a hit in right and Womble crossed the rubber for the run that tied the game, and Cartwright took third. O'Hare struck out, but Stacy and Cartwright put on the squeeze, and the game was won when Bailey failed to field fast enough to catch Cartwright at the plate.

The game was somewhat of a clownish exhibition for the first few innings. Perry proved an easy prey for the long willow of the Freshie clouters, but the nine tightened up when O'Hare began to shove the pill. He pitched a fair game and was rather effective. But much credit is due to his team-mates for the hard fighting spirit that they showed at the close.

Holbert led the batting with a double and two singles out of four trips. Bailey got two hits out of four trials, and Blumdel and Wimmer also hit well. For the Sophs, Highnote was the most effective hitter. He secured two bingles and two sacrifices out of five times up. Capt. Womble lined out a single and two-bagger, and Dealey, Cartwright, and O'Hare hit well.

The score by innings: R H E
Sophomores . . . 000 101 172—12 10 10
Freshmen . . . 401 050 010—11 11 8

Batteries: Sophs, Perry, O'Hare, and Moore and Womble. Freshmen, Bailey, Winston, Gooch, and Myers. Umpire, Disch.

NOTICE FOOTBALL MEN.

All the members of last year's football squad and all the T2d men of last year will please leave their address with me before they leave for the vacation. The Training Camp will begin early in September, and I will notify all who leave their names, during the month of August. All football men meet at gym Tuesday afternoon at 3:00.

DRS. BARKER AND RAMSDELL, AND PROF. POTTS PUBLISH A "SCHOOL HISTORY OF TEXAS."

Dr. E. C. Barker, Prof. C. S. Potts, and Dr. C. W. Ramsdell are joint authors of a new "School History of Texas," a book which is designed to bring the most important facts appurtenant to the History of Texas within the grasp of the ordinary fifth or sixth grade pupil. The collaborators have been firmly successful in making their purpose apparent. The style is simple, direct, and straightforward. Unimportant details are omitted, and the authors have hit upon the happy device of abandoning the antiquated practice of dividing the subjects into administration of presidents and governors, thus relieving the sixth grade pupil from the drudgery attendant upon recalling detailed facts concerning this or that president.

The book is also the first straightforward attempt to place a "School History of Texas" out of the realm of fiction. The authors have sacrificed everything for authenticity and truth, yet maintaining sufficient judgment in their choice of topics and manner of treatment to fire the zeal of the average Texas "6th-grader." The accounts are not prejudiced. The absence of this narrowing influence in a "School History of Texas" is indeed gratifying. In their simple, succinct way the authors reviewed the whole History of Texas, and the book proper concludes with several chapters on the economic and municipal development of our native State.

HOOVER WILL COMPETE IN OLYMPIC PRELIMINARIES—LEAVES JUNE 1 FOR CHICAGO.

Tom Hoover, Captain of the victorious Longhorn Track Team, 1912, will leave June 1 for Chicago, at which place he will try out for the Olympics. In the preliminaries Hoover will have an opportunity to compete with the pick of athletic talent of the West, North and Middle West. The tryouts will take place June 8, on Evanston Field, which is the old athletic grounds of Northwestern University. Hoover is entered for the 100, 200, and 400 meter races, and the people of Texas are expecting great things of him.

TENNIS TOURNAMENT BEGINS MONDAY

STATE CHAMPIONS WILL BE HERE—VARSITY MEN URGED TO COMPETE.

The annual State tournament for Texas will begin Monday next on the courts of the University and will continue morning and afternoon until finished. The meet will be officially in charge of Mr. E. L. Scott of Dallas, the President of the state association and referee of this tournament.

The best players from every city in the state will be here and the committee in charge hopes to have entries from beyond the state boundary. The present champions will come to defend their titles and many prominent players will try to wrest these honors away. San Antonio will send the famous Russ, Walthall and Groos; Dallas will come eight or ten strong, including Waggener, an ex-champion of the University, Tabor, Shelton, Adoue, Davis, and others; Houston will send another ex-champion of the University, Burke Baker, as well as several local champions, such as Riordan, Spencer, and Tausig; of course, the ex-state champion, Tom Holland of Beaumont, and his partner, Cunningham, will be here with several others from the oily city. Texarkana will send championship material in Payne and Munz and possibly others; we are also confidently expecting the MacQuiston brothers, who at present hold the championship of the Southwest in doubles; we are certain of Mr. Gaudier of Brownwood and Mr. Moodie of Comanche; Waco will be represented by A. C. Strickland and T. B. Brazelton, both strong contestants for championship honors; Brenham will send Tom Felder and F. W. Wood, Jr.; Austin, outside the University, will be represented by Prof. Thomas of the Deaf and Dumb Institute, Dr. Z. T. Scott, Mr. Sterling Fulmore, and Mr. Walter Eyres are probably others. By the time this notice is read, there will be a great many more entries.

Dr. Penick says: "Not enough interest is being manifested by the University players; men are not entering who should, because they are afraid they will not get a prize; of course, everybody likes to get a prize, but we are going into this meet for several other reasons besides winning prizes; we want to show the visiting players that we believe in tennis, we want to get in the game with the best players, we want to encourage the sport all over the state as the healthiest and cleanest for all classes. We promised the state association a big entry list from the University, and if we fail, we will have a hard time getting them here again. Let everybody who plays at all get in the game; if you lose in the first round, you get into the consolations; if you have never been in a state meet before, you get a chance for a special prize. Join the rush; there are already (Thursday night) 24 entries in

FACULTY AND SENIORS "WILL BATTLE" TODAY

GAME CALLED AT 4:00—INTER-FRATERNITY RELAY RACES PULLED OFF BEFORE GAME.

Today, on Clark Field, at 3:30 p. m., will be seen two of the most interesting athletic contests of the year, the Inter-fraternity Relay Race, and the Faculty-Senior game.

The Faculty has been practicing faithfully for the past month, and Captain Patterson and Mgr. Disch say they have a team out there that can clean anything short of the Phillies. For some unaccountable reason, they have signed a new twirler who smacks strongly of the professional, and who is clearly out of the amateur ranks because of having accepted pay as Editor of The Texan, Marion Levy. Levy is reported to have plenty of curves and much steam, but the Seniors maintain that his possessions are limited to the latter,—hot air.

On first will be seen the old stand-by, Prof. Krey, on second, Dr. Patterson will scoop 'em up, Dr. Ellis will be on third, and Dr. Yoa-kum on short. To complete a perfect battery, Mr. Goodwin will receive. Mr. Goodwin is reported to be a catcher of no mean ability, and has signed a contract for six years at a salary reported to be fabulous. The provisions of the contract could not be learned at a late hour last night.

In the outfield, some of the best players of Texas will be assembled. Last year's famous outfield will be broken up on account of the absence of Dr. Battle, who says that he fears to stand up against the Senior pitcher at this season of the year. Dr. Haney will be seen in left garden, and many are hoping that the yawning abyss in that part of the grounds will open up to receive him; Mr. Austin will be in right, and is said to be the greatest clouter in the world at the present time, since Ty Cobb is out of the game. He has never yet failed to get a hit. In center will be an old familiar face, Prof. Metzenthin, Metzenthin used to be some twirler, but he sneaked over to Bastrop to pitch for some bush league the other day, and decided that he was no more. He was placed in center field by request.

Levy will probably be relieved in the latter part of the first inning by some real pitcher, in the person of Mr. Disch, who claims that he can throw more curves than the most violent economist can plot. Later on, to gratify his own personal ambition, no doubt, Dr. Patterson will put himself in the box. Dr. Patterson has much confidence, but little else, and his team-mates are prevailing on him at present to give up the idea.

Preceding this wonderful contest, which will be given to the public promptly at four o'clock, will be the Inter-fraternity Relay Race. In times past, this race was an annual number on the University Calendar, but

a recent issue of the Austin Statesman the following editorial ap-

the object to the abolition of the final ball on the same ground that
 would regret the abolition of baseball or football or any other fea-
 of University life. If some of those in the University get pleas-
 out of it—and we know they do—we would want it kept for them,
 the vote against it were twenty to one.

While those who voted against the ball were undoubtedly sincere,
 believe that in a measure they have been guilty of narrowness
 we hope they will outlive with years—which we know most per-
 do outlive as they observe how many millions of different sorts of
 there are in the world, all with their own peculiar ideas of
 constitutes a good time."

The Texan wishes to except to the editorial dicta of the above writ-

The sentiments therein expressed show a decided lack of in-
 into the status of the Final Ball. In the first place, we are will-
 to admit that the editor has been led to write the above by crit-
 and hasty judgments from the outside, which in no way reflect
 attitude of the student body. The abolition of the final ball as
 was not the outcome of a barb-frat movement. It came unani-
 sly from an unprejudiced body of students, who were fully convinced
 the reception had outlived its usefulness as a University affair, and
 in its very nature the ball was not essentially vital to the vast
 ority of the student body.

The final ball has occasioned no little discussion in Texas. The crit-
 ms may be just or unjust, but the student body, moved by
 ssure from the outside, and an honest conviction that the Alumni,
 alleged by the Statesman, were not drawn here because of the final
 alone, decided with perfect equanimity to do away with it. And
 her, if the writer had taken the trouble to inform himself, he
 ht have learned that the Final Ball will be supplanted by a truly
 resentative affair. The ball at present is participated in by a
 re spattering of students, a few Alumni, and the great multitude con-
 s of the Austin Social Pageant. In the place of this a "Senior
 m" has been proposed, which will successfully eliminate all of the
 objectionable features of the final ball, and which will be made a
 AL UNIVERSITY AFFAIR. An additional reason for the "Prom" is
 it it will not embroil the entire University in a fictitious political fight

The "narrowness" of which we have been guilty is ludicrous. Any
 le-awake reporter would have informed his managing editor that
 student body is essentially broad; that the "narrowness" works the
 er way inasmuch as we are trying to "outlive" our former failings by
 king Commencement a live issue. The movement to get the under-
 duate body to stay behind, the Senior stunts, and the Alumni Pa-
 e are all obvious manifestations of the desire on the part of the
 dent body to get away from their alleged "narrowness."

And now for a word of consolation to those members of the Alumni
 om the Statesman has befriended. There will be a final dance, and
 will be a great one, too. The Alumni and students, who crave
 s, will be satiated with all the formalities of a Commencement hop.
 e dance feature will be present, but through the abolition of the Fi-
 l Ball, the "on with the dance," will not overshadow the real spirit

Commencement week. The Texan has no fault to find with danc-
 s, but it condemns the narrow spirit based upon insufficient infor-
 ation which leads people to believe that our Commencement consists
 ily of a Final Ball.

PROGRESS OF THE LOAN FUND
 OF LAW DEPARTMENT.

The students of the three classes
 the Law Department have secur-
 subscriptions to more than \$2-
 0, which will be used as a loan
 nd to assist worthy law students
 ancially. The trustees of this
 nd are Judge John C. Townes,
 dge I. P. Hildebrand, T. Martin, B.
 Blair, and W. H. Harris, stu-
 nts. Such loan funds wisely ad-
 ministered can do an immense amount
 good in the University of Texas
 d the amount available for such

purposes will doubtless increase year
 by year.

SENIOR-JUNIOR TROLLEY RIDE.

As is customary, the Senior girls
 will enjoy a trolley-ride Saturday
 night with the Juniors and the band
 as invited guests. Cars will be in
 waiting on Guadalupe street at 7:00
 p. m., and with the aid of Hunni-
 cutt's "stags," the young ladies ex-
 pect to have a pleasant evening glid-
 ing over the Traction Co.'s property.

The time set for the trolley ride
 is 7:15.

ALUMNI OF SECOND DECADE ARE PREPARING TO ENJOY COMMENCEMENT WEEK. ARRANGEMENTS MADE.

The special guests of this reunion
 sent out from Alumni headquarters in
 the University of Texas, asking all
 Alumni of the institution to return
 for a general re-union on Alumni
 Day, June 10. The letter is sign-
 ed by Edwin B. Parker, President of
 the Alumni Association, and the
 other eight members of the execu-
 tive committee as follows: Charles
 K. Lee, Fort Worth; John A. Lomax,
 Austin; Will C. Hogg, Houston; H.
 J. L. Stark, Beaumont; David A.
 Frank, Dallas; T. W. Gregory, Austin
 Dr. Margaret Holliday, and Dr. Da-
 vid H. Lawrence, Galveston.

The special guests of this re3union
 are the graduating classes from
 1894 to 1903 inclusive. These classes
 being the ten that went out from
 the University during the second
 decade of its existence. Last June
 a re-union was held for the first ten
 graduating classes of the institution.

The general headquarters of the
 Alumni will be in the recently com-
 pleted University Young Men's Chris-
 tian Association Building, which is
 located adjacent to the campus. This
 building will be put entirely at the
 service of the Alumni, and is ad-
 mirably equipped for just such a
 purpose. Its parlors, committee
 rooms, pool and billiard hall, audi-
 torium, and other necessary adjuncts,
 will all be available, night and day.
 The entire program will be carried
 out in this building, with the possible
 exception of the Alumni oration.

The purpose of this re-union is
 chiefly social. There will be a min-
 imum of speech-making and a maxi-
 mum of renewing the ties of col-
 lege days. The baseball game be-
 tween Alumni stars and the regu-
 lar University team, and a big illu-
 minated alumni parade will occur. Oth-
 er unusual features are being plan-
 ned, and will be announced later.
 While June 10, 1912, is intended to
 be a special re-union for the stu-
 dents of the second decade, any
 Alumnus or ex-student of the Univer-
 sity will be equally welcome and
 equally an honored guest.

MR. A. C. KREY RESIGNS IN- STRUCTORSHIP—WILL TEACH AT ILLINOIS "U." NEXT YEAR.

Word has come that Mr. August
 Charles Krey, one of the most popu-
 lar instructors in the faculty, has
 resigned his position in the Depart-
 ment of History in order to accept a
 similar office in the University of
 Illinois, at Urbana. During his
 two years here, he has endeared him-
 self to those who know him on ac-
 count of his geniality, earnestness,
 and willingness to lend a helping
 hand. He has been an industrious
 worker as a promoter of the Inter-
 Scholastic Debating Leagues and as
 a coach for the Varsity debating
 teams. It is with a sense of deep
 regret that the student body parts
 with him for, although not a native
 of this State, he has proved himself
 a Texan in the truest sense of the
 word.

Y. M. C. A. POOL OPEN.

Last Thursday evening the Y. M.
 C. A. swimming pool was thrown
 open for the first time to the mem-
 bers of the Association. The pool
 is an unusually fine one, and its
 large size and fine water, togeth-
 er with all the conveniences afford-
 ed, offers quite an attraction to all,
 which was evidenced by the large
 number of members who gathered to
 enjoy a first plunge. A rate of \$1.50,
 extending into October 1, has been
 made for the benefit of those who
 wish to join the Association now, in
 order to get the use of the new
 swimming pool. This rate will al-
 so apply to summer students, who
 undoubtedly will be only too glad
 to give the pool a most liberal pa-
 tronage during the hot summer days
 that they spend here.

A Specialty Store For Young Men's Clothing

A store to which they may come and obtain SUITS ready to
 wear, of fabrics and models appealing to

Young men who do not like to look old—
 Older men who like to look young

—Not a store for boys just out of knickerbockers, so much as
 —A store for young men who abominate commonplace clothes,
 and abhor freakish ones.

—A store for men who appreciate distinctive clothes.
 This store does not spring from accident. It results from
 many months of planning.

English models predominate. Actual styles fixed by eight
 or ten of London's best tailors to young men,—snug-fitting
 coats and trousers. Long, soft, rolling lapels. Natural
 shoulders.

Young men seeking distinctiveness will come upon embarr-
 rassment of riches here. Sizes 32 to 38.

MANAGER GARRETT MAKES STATEMENT IN REGARD TO COMING FOOTBALL SEA- SON.

The schedule as recently announc-
ed by Mr. John H. Keen has been
the source of quite a number of re-
marks on the part of both students
and Austinites. Some have critic-
ised,—some like it,—others say it is
satisfactorily arranged,—and still oth-
ers "are silent" on the subject. In
any case I hope all like it.

As the students know, or should
know, our Athletic Council has done
its best, through the able manage-
ment of Mr. Keen, to procure the
foremost colleges in the South for
next fall, but try as he could, Mr.
Keen, in nearly every case found
dates conflicting. Of course, some
ask why the schedule was not begun
at an earlier date; this might be
answered by explaining that a cer-
tain condition of affairs existed dur-
ing the winter months,—I might say
a very unsettled state of affairs,—
which, to a great extent, postponed
all action with reference to schedule
or anything else concerning football.

You must not look at this sched-
ule from the same point of view as
last year's. No doubt that was a
great schedule, but everybody con-
ceded that it was too hard.

This year's schedule as it is ar-
ranged certainly gives Texas a chance
to end the season with an undefeat-
ed championship team. It is true
we lost Indiana, but that was prob-
ably their fault, and no fault of
Mr. Keen, or the Committee. The
Houston proposition "hits hard," but
Mississippi ought to draw well and
we can stand it, I suppose.

The prospects are very bright for
next year; first of all, look at our
Captain for 1912,—it is useless to
mention his everlasting "grit" and
"fight," for he has not only demon-
strated these but every other char-
acteristic that goes to make a won-
derful football player. He never gets
mad in a game to lose his head and
his steady supervision and "field
generalling" of the team will be a
source of wonderful help.

Then our coaches: it can truly be
said that Mr. Allerdice has shown
what he is,—both as a wonderful
coach and as a gentleman. Although
he labored under many difficulties
last season he brought us great suc-
cess,—and knowing the men and sit-
uation as he now does, what will he
do in 1912? Most of us know of the
ability of Mr. Rix and soon found out
he was a most valuable standby.
This combination assures success.

Then something else has happen-
ed which I think will be gladly wel-
comed by all of us. At a meeting
of the Athletic Council,—which meet-
ings, I might add, the student man-
agers are not allowed to attend,—
on Friday night, April 5th, by unani-
mous vote of the Council, Mr. Lutch-
er Stark, the able manager of the
1910 team was made "Graduate Ad-
visory Manager" for the next suc-
ceeding year or years. This should
be a great source of joy to the stu-
dent body, for he will certainly be
a wonderful help to the management
and Athletic Council.

I repeat let us get together and
work for next fall. If we win
those eight games we will no doubt
have the Southwestern Championship.
The Haskell Indians promise to be
one of our hardest games; they play
Kansas and Colorado and have pros-
pects for a great season. Then we
must win from Oklahoma, Arkansas
and Mississippi. The other four
games should be "easy picking"; if
we do all this we can truly feel proud
and say "we had a grand season."

Manager, Season 1912.

MISS DINSMORE WINS CHAMPIONSHIP IN SINGLES.

The girls' tennis championship in singles was decided Wednesday afternoon. Miss Dinsmore defeating Miss Thomas in three successive sets by score of 6-3; 6-0; 6-3. The tournament has been going on for several days, and after a number of hotly contested sets, Miss Thomas and Miss Dinsmore were left to fight it out. The results of the singles tournament were as follows:

Miss Rix won from Miss Whitehouse, 6-4; 6-3; 6-2.

Miss Thomas won from Miss Petet, 6-1; 6-3; 6-1.

Miss Foote won from Miss Minkwitz, 6-3; 6-0; 6-0.

Miss Foote won from Miss Lowery, 6-1; 6-1; 6-0.

Miss Rix won from Miss Thomas, 6-1; 6-2; 6-2.

Miss Dinsmore won from Miss Harris, 6-1; 6-1; 6-0.

Miss Bowman won from Miss Jarvis, 10-8; 2-6; 1-6; 0-6.

Miss Thomas won from Miss Foote, 6-4; 6-1; 6-3.

Miss Dinsmore won from Miss Jarvis, 6-3; 6-3; 6-4.

The finals as noted above: Miss Dinsmore won from Miss Thomas, 6-3; 6-0; 6-3.

ALUMNI PARADE IS RAPIDLY TAKING FORM

At present the Alumni Parade to be held during Commencement Week is planned. It only remains to be a huge mushroom,—beautiful form, but little substance. The plans are all laid; there is nothing more to be planned. It only remains to keep

working along the lines already attacked in order to make this function one of the most brilliantly successful of the whole University year.

Every organization, of whatever description, is earnestly requested to take part in the parade. Floats and lighting effects will be furnished by the Alumni Association. A committee will call on every club in school some time next week to arrange the details. Don't wait for the committee; save time by being prepared before they come.

A tentative order of march has been adopted for the parade. The grand marshal, guided by the usual escort of thirty-seven mounted cops, will lead the parade around the campus, turning into Speedway at 24th Street. From that point the line of march will follow the usual course down the Avenue to the Littlefield Building. Following the marshal will come the Varsity Band and the various clubs, another band, and the marchers. In the middle of the Alumni section will be the float of the Globaskers, who promise a delightful stunt, while a Senior float will accompany the Senior section. Carriages of University girls will be interspersed throughout the entire length of the parade. The whole course will be lighted by colored fire and torches furnished by the Alumni Association.

The Vaudeville at the Littlefield Building will be one of the most refreshing performances of the year. This is assured by the fact that all the stunts will be entirely spontaneous.

The Seniors and the Globaskers have already agreed to put on sketches, and are now working hard in preparation. Besides these, there will be several other attractions, which have not yet progressed far enough for us to tell what they are to be. Next week the program will be fully arranged and printed in the Texan. Suffice it to say that the Parade and Vaudeville Committee is doing everything in its power to insure a good time for both the Alumni and those students who may stay over.

DEPARTMENT OF EDUCATION ELECTS OFFICERS.

The following were elected to serve as officers for the Department of Education for next year:

J. L. Jackson, president.
Miss Ruth Miller, vice-president.
Miss Mary McCrummin, secretary.
D. L. Hoopingarner, treasurer.
D. F. McCollum, sergeant-at-arms.
Class Representatives: Senior, D. F. McCollum; Junior, N. L. Hoopingarner.

Earle McComb, Representative to Athletic Association.

FACULTY AND SENIORS "WILL BATTLE" TODAY.

(Continued From Page One.)

for some reason, it was dropped, to be revived this season. A handsome cup has been selected, and was on exhibition in Robinson's window on Thursday and Friday. It can be seen in the Co-Op window this morning.

The teams to take part in the race are nine in number: the Capitol Club, the S. A. E., the Phi Kappa Psi, the Phi Gamma Delta, the Delta Chi, the Phi Delta Theta, the Kappa Alpha, the Delta Tau Delta, the Kappa Sigma. Odds at present favor the Phi Kappa Psi and the S. A. E. teams.

Everyone, gate-keepers, ticket-sellers, managers, players, coaches, and mascots, will be expected to pay his admission to the grounds. The largest crowd of the year is expected out. The baseball game will undoubtedly be a close event, for the Seniors have no mean team, and Coach Baldwin announces some phenomena. The Relay Race will prove especially interesting as a preliminary. Captain Tom Hoover has consented to take charge of the latter event, and will award the cup to the victorious team at the conclusion of the race.

FOOTBALL TAG DAY MONDAY.

Loyal Students Come to the Rescue.

Here is a scheme whereby the students can be a wonderful help to the football men and contribute greatly to the success of next season's team by boosting and helping to materialize another training camp. We receive the support of the Alumni in spirit and financially. We know the students are with us in spirit, and now can't you spare a fifty-cent piece, and thus do your part in affording the football men the needed pre-season training? Money talks, therefore your answer must be YES.

Manager.
