Dear Professor Bennett,

I thank you very much for your kindness in sending me the texts of the 1955 Pylos tablets, a kindness which I appreciate very much. You have also been kind enough to send a copy to my friend and pupil Mr. Oscar Landau. As you may know, he has written a book on the Mycenaean personal names (actually his thesis for the degree of Doctor of Philosophy). This work (MYKENISCHE PERSONEN-NAMEN, c. 300 pp.) is now being printed and will be sent to you as soon as it has left the press. Another volume by him, dealing with the Mycenaean geographical names, is ready in MS and will be printed as soon as possible. Together we are preparing a "Mycenaean Prosopography", which is well on its way.

At present I am making my Linear A studies ready for the press and hope that the book will appear within the next few months.

Thanking you again, and with all my best wishes,

Yours very sincerely,

Arne Furumark
