TRINITY GAMES PROVE INTERESTING

FIRST GAME IS A WALK-OVER, BUT VARSITY WORKS HARD FOR THE SECOND.

Making a desperate struggle to stay in the running for the State championship, the Longhorns took the first of the series from Trinity University by the score of 13 to 0. The visitors, who had defeated Southwestern and Daniel Baker, were not in form for this first game. They had been on the road all night and could not do themselves justice. Varsity made six runs in the initial inning and this took all the pep out of the game.

Henderson and Neblett, who twirled the game for Varsity, were in good form and had the visitors at their mercy. Fleming opened the game, but was relieved in the first inning by Furgeson who was effective at times but not consistent. Eleven hits helped to fatten the batting averages of the home boys. Francis took the honors with two three-baggers and a single out of three trips, Baldwin was a close second with three out of four and Kelly and Long each parked the ball. Jack Garrett as a base runner was a favorite with the grandstand.

PHI BETA KAPPA ELECTS NEW MEMBERS

FIFTEEN MEMBERS OF CLASS OF 1912 ARE HONORED AT MEETING THURSDAY.

At the annual meeting held Thursday afternoon, Texas Alpha of Phi Beta Kappa elected fifteen members from the class of 1912. This fraternity stands for the highest type of scholarship, and in order to be eligible for membership, a candidate must have maintained an average of B or over for the last three years of his undergraduate work. Only one-eighth of the graduating class may be elected. The present class will go down on record as having attained a very high standard. The successful candidates had a large stack of free A's to their credit, and the competition was necessarily warm. The chapter will initiate its new members, and also give a formal reception in their honor, Monday evening, April 29, at the University Club. The following list includes the eight young men and seven young ladies who are to be congratulated on their recent election: L. B. Bibb, of Austin, Libbie Breuer, of Houston, W. H. Fowler, of San Antonio, Mabel Hare, of Kirkland, R. C. Harrison, of Joshua, Thomas Armstrong Knight, of Dallas, Anna Belle May, of Tolbert, Tom Hannah Smith, of Caldwell, Laura Lettie Smith, of Houston, Richard A. Staudhalter, of Houston, E. O. Tanner, of Denton, Wm. Tanner, of Denton, Frances Walker, of Leander, Louis Weisberg, of Dallas, Ola May Whitehouse, of Cleburne.

UNIVERSITY PICNIC.

Varsity is to have another of those famous picnics at Landa's Park, New Braunfels, on San Jacinto Day. And this one bids fair to be better than any of those that have preceded it. The committees are confidently expecting and making arrangements to accommodate at least six hundred students besides a large body of alumni who are to hold at the same time their picnic postponed from March 2nd.

Landa's Park has the reputation of being the most beautiful picnic ground in all Texas, and, indeed, in all the South. The sight of the park alone would repay a visit to it. But add to its natural attractions the pleasures of dancing on one of the best outdoor floors to be found anywhere, and of eating the best dinner and supper that have ever been prepared for a University picnic and you have a total that will make you go in spite of yourself.

The music for the dancing will be furnished by an eight-piece German orchestra which will play from 2:30 o'clock until supper time. Mr. Landa writes, "I will try to have all things in order and do all within my power to make your stay comfortable and pleasant."

Tickets will be on sale all day Friday, Saturday, and at seven o'clock Monday morning in the uptown office of the M. K. & T. Railroad.

The program for the day is as follows:

Leave the M. K. & T. depot—8 a. m.
Dinner—1:00 p. m.
Dancing—2:30 p. m.
Supper—6:30 p. m.
Leave for home—9:30 p. m.

HUGHES PRESIDENT OF STATE ORATORICAL

ANNUAL CONVENTION HELD.—OFFICERS ELECTED.—ELABORATE BANQUET THURS. NIGHT.

Friday morning the annual convention of the State Oratorical Association was held at the University. This is the regular business meeting, and all routine matters were attended to.

Officers were elected as follows: President—Hughes, (Southwestern) Vice-Pres.—Hudson, (Baylor). Recording Secretary—Clyce, (Austin College).

Treasurer—Clifton Ferguson, (T. C. U.).

Next year the Association will be entertained by Southwestern, at Georgetown.

A resolution was passed endorsing the plan outlined by the Hogg Fund Committee to have oratorical contests all over the State on some assigned educational subject, the winners in the district to come to Austin for the final contest. The delegates pledged themselves to forward the movement as much as possible by means of their local organizations.

A committee was appointed to look into the matter of forming an Inter-State Southwestern Oratorical Association, the Texas representative to be the winner of the State Oratorical Contest.

We have enjoyed the privilege of entertaining the State Association. The occasion has been the more enjoyable because it is the first time we have had the pleasure.

The Banquet.

Thursday night at the Driskill the orators, "toastmasters," and representatives of the various schools in the State Oratorical Association gathered around the banquet table and enjoyed a feast of friendship before the contest on the following evening. The co-eds, too, were there, and lent the inspiration of their presence. It was a "feast of reason and a flow of soul," indeed. An excellent menu had been provided for, and the college wits of the State were interspersed between the courses.

W. W. Meachum, President of the Association, acted as toastmaster. He made a short and appropriate address of welcome. The other speakers were Joseph J. Murray, H. H. Neilson, H. D. White, John B. Milliken, Hal S. Lattimore, Hion T. Jones, P. P. Reynolds, and J. T. Vance.

ANOTHER OPEN AIR CONCERT TUESDAY NIGHT.

All who came out to the Band Concert Monday night will be delighted to learn that Hunnicutt has announced another open air performance for Tuesday. We all enjoy this alurement from our study table during such warm weather. The music is as good as one would desire and the campus and perip are inviting for a stroll.

See the race between Hoover and Diamond today.

LONGHORNS LEAVE ON SOUTHERN TRIP

GAMES WILL BE PLAYED WITH ALABAMA POLY, GEORGIA AND TULANE.

The University team leaves this morning over the H. & T. C. for Auburn, Alabama, where they play two games Monday with the Alabama Polytechnic Institute. The team is in fine condition with the exception of Russell, who has a bad foot, and a good showing may well be looked for. The team has three hard games in the first two days, and it will be quite a strain on the pitching staff to play a double header one day and contest the foremost team of the South in the second.

Tuesday and Wednesday, the team meets Georgia, for three years the peers of the South in baseball. The team this season has played many games with the best teams of the country, including Michigan and Vanderbilt, but has not lost a game. She took three straights from Auburn, won one and tied one with Michigan, and defeated Vanderbilt.

To win one or both of these games from Georgia on her home grounds will mean much to the Texas team. It will mean that she can measure with the foremost teams of the South, and give her a standing in Southern baseball that will further enhance our Southern standing. The results of this game will be wired to The Texan and will be printed in Wednesday's edition, as will the results of the Auburn games.

From Athens, the team goes to New Orleans, where a couple of games will be played with Tulane University. Tulane has an exceptional team this season, and has won from L. S. U., Mississippi, and other strong teams. The squad returns to Austin Sunday, April 29.

Those making the trip are Baldwin, Long, Francis, Russell, Henderson, Cone, Moore, Anderson, Gambrell, Cartwright, Bailey, and Kelley. Coach Disch and Manager Dealey. The team went to Georgetown yesterday. Coach Disch has the following statement to make:

"Just what the boys will accomplish on the trip is hard to predict. Much depends upon my freshman pitching. The unreliability of these green twirlers has given me much to worry over. Stability and confidence in this department is necessary before my team becomes a real, smooth playing machine.

"Injuries to Cartwright and Jones throws the burden of the work on the shoulders of the new men. These twirlers, especially the former, appeared to be the best bet as a pitcher. Jones may be of use yet, provided his injured hip mends.

"Then, too, my catchers are off color, not because of lack of ability so much as lack of inability to get going right.

"As previously stated, we haven't a world beater, but a good team with prospects of becoming much better.

"For the benefit of a certain number of fans who want a winner or nothing I am going to repeat what I said at the beginning of the season, namely, that Texas will win 60 per cent or better of all college games played, 75 per cent or better of Texas Inter-collegiate games played, a possible contender for local honors, and will occupy nothing less than second position.

"W. J. DISCH."

TRACK MEN MEET FAST OKLAHOMANS

LONGHORN AGGREGATION UNDEFEATED—DIAMOND, THE SOONER STAR, WILL BE HERE.

The meet with Oklahoma University today will probably be the fastest seen on Clark Field this year, the State meet not excepted. The Texas men did some fine work at Arkansas, but the trip was a hard one, and they will hardly be rested from it when they are asked to run again.

One advantage will be that they will have their full team against the Sooners. Kirkpatrick will be in the competition, which will help. Adams, Bruce, Pritchett, Harold, Jordan, Griffin, Boothe, and Hamilton, most of them younger men who did not go on the trip will also perform against Oklahoma. Captain Hoover, notwithstanding the fact that he did some phenomenal work against Arkansas, will have a hard day Saturday to win his events. His 0:9.45 in the Century last Monday makes him look good for that event, but in the Quarter he is up against Diamond, the Sooners' crack man, who claims a record of 0:50 flat. Needless to say this race will be something worth watching. Diamond also runs the mile. He has never been defeated in this event, neither has C. G. Smith, the Texas stand-by in the distances. One of these men are going to taste defeat for the first time Saturday. Johnnie James is doing great work in the shot, and Grady Ross is developing into a good hurdler, but the weights and hurdles are Oklahoma's strong events. Vining is as yet uncertain in the broad jump, but he is working hard to get consistency in his event. All in all, the competition Saturday will represent some of the best in the South. Diamond has Olympic ambitions and, working with a combined action of good field men, he may be expected to give a good account of himself. On the other hand, the Texas team voted unanimously after the Arkansas meet to make a clean sweep of all events this year.

ALUMNI DINNER WILL BE AT NEW BRAUNFELS.

Mr. J. W. McClendon, Vice-President of the Alumni Association of the University of Texas for the Austin district has announced that the Alumni dinner, which was postponed on March 2nd on account of the weather, will be given at New Braunfels, Monday, April 22, in Landa's Park in connection with the students' outing of that day. All Alumni and ex-students of the University are earnestly urged to be present at the dinner. The formal after dinner speeches planned by Mr. Charles S. Potts, Chairman of the Arrangement Committee, will be followed, and a delightful day in the woods is anticipated. The Alumni who go from Austin will travel to New Braunfels on the excursion train with the students. A low round-trip rate of 75c has been made. All Alumni and ex-students of the Austin senatorial district are especially invited, at the same time any person who has ever attended the University of Texas will be most cordially welcome. A basket dinner will be served. All persons expecting to join the excursion should telephone Mr. McClendon

A great many institutions in this State are launching a campaign for the Honor System. Baylor and T. C. U., through the medium of their student publications, are acquainting their student bodies with this system, and are endeavoring to shape a plan in accordance with the one in vogue at this University. The President of the Students' Council and The Texan have furnished all the material that these college papers have called for, and it is expected that in the very near future Baylor and T. C. U. will have a system which will easily cope with all forms of student dishonesty.

As is proper Texas has taken the front rank in shaping the ideals of other State institutions along this line. It is possible that the other colleges will look to us for further developments regarding student control of student affairs. The Assembly is creating vast interest throughout the State. If it is adopted here, and we think it will be, the other institutions can learn another valuable lesson. As pioneers in the struggle for widened student-control, our position is enviable. With this new move before us, a way of broadening our sphere presents itself. The plan admits of numerous possibilities; it covers numerous and varied interests; it makes for a more responsible and worthy student body. The other colleges are watching us. We will be the first to take this advanced step, and to prove that the students of the University of Texas are capable of administering their own affairs efficaciously and intelligently.

PRES. MEZES ENTERTAINS STU- DENTS' COUNCIL.

On Wednesday night Pres. Mezes entertained the Students' Council and a number of invited guests with a smoker. No business was attempted,—the entire evening being devoted to a thorough enjoyment of the President's perfectos and Mrs. Mezes' excellent punch. In addition to President Seagler and the other members of the Council, Drs. Benedict, Battle, Penick, Bantel, Duncalf, Parlin, and Mr. Krey accepted the hospitality of Dr. and Mrs. Mezes for the evening.

CHORAL CLUB CONCERT.

Preparations are steadily going on for the annual Choral Club concert, which will take place on the evening of April 30, in the Auditorium of the Y. M. C. A. Building. The program will appear in an early number of The Texan. The Choral Club will be assisted by Miss Lucie B. Holmes, the director, and Dr. Hans Harthan. The Club has been earnestly at work, and promises a rare treat in store for those who are musically inclined.

Tickets are for sale at the Co-op and at Griffiths' Drug Store.

THE FOUR RULES FOR LIFE.

Mr. Wilson Williams has accepted an invitation to address the Young Men's Christian Association the coming Sunday afternoon at 2 o'clock. Subject, "The Four Rules for Life." All young men cordially invited to be present.

A student who is real fussy about his clothes says that he can get better satisfaction for his money at Moore & Morrison's than any other place even the large stores at home.

TEXAS LEADS IN PENTAGONAL LEAGUE.

This has been a year of reverses in the Pentagonal League. Last year Louisiana lost both debates; this year she developed the unusual strength that was displayed here recently, and defeated Texas and Tennessee. Last year Arkansas won both contests, and fell below Texas only because the verdicts in our debates were unanimous. This time Arkansas lost to Mississippi and Texas. Matters were evened up by Tennessee winning from Mississippi.

If the results for the two years that the League has been in existence are considered, Texas easily ranks first. Out of a total of four debates, we have won three, two of which were by unanimous decisions. All the other schools must content themselves with two won and two lost.

In looking back over the battlefield it is well to give some credit to our efficient system of coaching. Mr. Taylor, of the School of Public Speaking, has been especially active, and comes in for the largest share of praise.

HOOVER AND JAMES PERFORM REMARKABLE FEATS.

Two remarkable performances were pulled off by Longhorn athletes at the Arkansas meet. The Texan in the last issue reported that Captain Tom Hoover had made the Century in 10 3-5. This was a mistake, as he equalled the State record of 9 4-5 held by Ramsdell and Henry. The track was heavy and the race almost amounted to a handicap. Stewart, of Arkansas, jumping the gun, giving him about an eight foot lead, but this only inspired Hoover to greater action, passing Stewart at the tape and equalling the record. This great work only serves still more to draw the eyes of athletic America to Texas for her supply of sprinters.

Johnnie James accomplished the other noteworthy feat when he put the shot forty feet. He has improved his distance at every meet held this year and bids fair to do better yet. His record made at Fayetteville Monday, breaks the State record of 39 feet 5 inches, held by Hooker of A. & M.

Today these records may be shattered again. Come out and help beat Oklahoma.

In the evening Mr. Fishburne, blindfolded, played Mr. Lemay and E. P. Adams of Southwestern at the same time.

UNIVERSITY PROFESSORS AT-
TEND CONFERENCE OF EDU-
CATION.

A great many University professors
and instructors left yesterday in or-
der to attend the Conference of
State Educators which is being held
at San Antonio. The meeting is a
rather informal one. The members
of the Conference make a point to
assemble once a year and talk over
the problems of pedagogy. The meet-
ings are usually characterized by
the great predominance of high
school teachers, and it is in order to
facilitate the work of these men
that our professors are attending the
Conference. A partial list of those
going to San Antonio includes Mr.
Krey, Dr. Benedict, Mr. Holden, Dr.
Duncalf, Dr. Sutton, Dr. Ellis, Dr.
Barker, and Prof. Polts.

That his great ambition, the de-
mocratization of Harvard, may be
realized, President Lowell of that
school has appointed a committee
which will raise funds to provide a
complete system of Freshman dormi-
tories. Pledges have already been
made to the amount of \$1,200,000,
but in order to carry out the scheme
\$1,800,000 will be needed. Dr. Lowell
thinks the dormitories will insure a
wider wingling of students during
their early college years. The site
for the building has already been
purchased and plans have been
drawn.

to ascertain whether or not a
collegiate education pays, has made
a canvass of its class of 1900. Con-
fidential reports have been received
from 76. The men have been
out of college ten years, which
means fourteen years out of high
school. They have had time to set-
tle down. Of the 76, one is earn-
ing \$708, one \$12,000 a year. Eight
are working for \$1,200, five for \$1-
500, nine for \$1,800, six for \$2,000,
two for \$2,400, four for \$2,500, six
for \$3,000, four for \$3,500 and twelve
are earning between \$4,000 and \$7-
500 a year. The average for the
76 is \$2,620.

TRINITY GAMES PROVE INTER- ESTING.

(Continued From Page One.)

Second Game.

Varsity took the second game from
Trinity by the score of 5 to 4. It
was perhaps the prettiest game of
the season and was won by hard,
consistent work in the eighth and
ninth innings. It was an uphill pull
all the way, the visitors taking the
lead in the first and holding the
Longhorns close until the ninth.
It was a game full of thrills and en-
tirely too close to be comfortable.

In the eighth, with the score
tied, Trinity put two more runs
across the pan, and it looked like her
game. Bailey walked Green, and
was relieved by Cone. Terry hit
to Cone and beat it out, Green go-
ing to second. Both advanced on
Long's passed ball, and scored when
Hurt singled to right. In the same
inning, Varsity again tied it up. Gam-
brell walked; Kelly struck out. Moore
pinched to right field, Gambrell tak-
ing third. Moore stole second, and
both scored on Francis' beautiful line
drive to left center.

With one down, in the ninth, Rus-
sell walked, stole second, went to
third on Anderson's single through
short, and scored a moment later
when McElree threw the ball wild
to Terry, on third.

The visitors played good ball, and
Prince, who twirled for them, had a
good ball and used it to effect. Bal-
ley, for Texas, pitched his best
game, and Cone, who went in with-
out warming-up, held the visitors to
two hits, one of which was a
scratch.

UNIVERSITY ORCHESTRA CLUB CONCERT.

Thursday night the University Or-
chestra Club rendered a very pleas-
ing concert. The Auditorium was
crowded with an appreciative audi-
ence. The numbers were difficult of
rendition and showed the fine work
the members of the Club are doing.
Miss Willie Haines, piano soloist, ac-
companied by Prof. Schoch and Wm.
Linberg, violins; Mr. Carl Widen,
cello, and Mrs. E. P. Schoch, piano,
won the audience with her rendering
of Mendelssohn's "Capriccio Bril-
liant." A great deal of credit is
due Prof. Schoch for his work with
the Club.
