

April 28, 1942

Professor Charles E. Weaver
University of Washington
Seattle, Washington

Dear Professor Weaver :

Your University was so kind to send me the Memoir No. 1
as a gift. Presumably you gave the my address. Therefore, I
would like to thank you for this fine piece of work on the
Jurassic and Cretaceous of west-central Argentina which I have
always wanted to own.

With many thanks,

Sincerely yours,

H. B. Stenzel, Geologist
