

Of the changes indicated (5 on p 274
and 2 on p 275) all but one are my
fault, and should have been
made in the original MS. I thought
I corrected one in the first proof;
another I missed when the pag. numbers
were changed.

I'll gladly pay for them, though
I realize it won't make up for the
time wasted.

With apologies

A E Kober
