## REPRESENTATIVES PRIVILEDGE

Rep. John Holmes-introduced Amy Rowe lonestarquuen@aol.com or amy.rowe@morganstanley.com Introduced resolution **AR 10**-Supporting the creation of a large American Flag to honor the victims of the September 11<sup>th</sup> tragedy

A resolution for the entire community come out an help paint the United States flag and send it as a gift to New York. Needs a lot of manpower, donations and promotion. Questions were entertained. This will be added into New Business.

Moved and seconded to place AR 10 on the agenda under new business. Item placed on agenda.

Representative Alex Chavez-there are still issues with the Team Cleaning Plan in the custodial staff. The staff is understaffed and the job is not getting done with the Team Cleaning Program. Feel the administration is taking advantage of the custodial staff, having them take a shuttle bus to get onto campus. This is because of the new parking permit program for UT staff. Have been holding meetings, but it is difficult with the car-pooling system in place now.

Representative Vanessa Bilanceri-It would be a good idea in the future if people who have not been appointed yet, to not participate in things with SG until their appointment.

Representative Angie Long-buttons will be passed out at the Forum on Wednesday. At the West Mall tables we will hand out flyers for the Forum and on Thursday we will hand out more buttons.

Representative Erin Smith-there was a town hall meeting regarding the RLM Microwave Towers. This was approved in 1993 and are just now implementing it. Many questions were answered and see me for more info.

Nakeenya Haynes-Be very careful and mindful of how you hand out the buttons and make it clear that this is not pro-war or pro-peace. Do not be pushy.

Representative Russ Bodnyk-have received complaints from assaulted students and they thank SG for their efforts. Lib arts and Nat Sci, you can demand more courses and other things in those colleges for being a guinea pig. Can we push back the deadline for applications of two year oat large?

Representative Bodnyk yields floor to Robby Slaughter.

.

Slaughter-we have appointments for legitimacy reasons, it is special for the appointees to be treated in the way they should be. Lets consider the approval process more carefully.

Representative Rendi Norwood-Lets ask companies for money instead of making another flag. They could use it more.

### **COMMITTEE AND AGENCY PRIVILEDGE**
