*Mr. President,*

On my return from Washington I beg to express to you my deepest gratitude for the kindness and hospitality shown to me during my stay in your country on this sad occasion. It was a privilege for me to represent my Sovereign when the world bade its last farewell to a great American statesman and a most noble crusader for peace and understanding among men.

May I take this opportunity, Mr. President, to extend my sincerest wishes for your personal happiness and for the success of your Presidency and Administration.

*Faithfully yours,  
Georg Prince of Denmark*

His Excellency  
Lyndon B. Johnson,  
President of the United  
States of America.
