Mr. Richard A. Davis, Jr.
Department of Geology
The University of Texas
Austin 12, Texas

Dear Mr. Davis:

I am attaching an application for employment and a qualification record for you to fill out for possible summer employment at our Laboratory.

I have discussed with Dr. H. B. Stenzel your request for summer employment; and while we cannot at this time determine how much help we will require, I should be pleased to consider your application. I shall try to inform you of our decision as quickly as possible.

Very truly yours,
