## Committee on Geologic Names & Correlations

Dr. H. B. Stenzel,  
University of Texas,  
Bureau of Economic Geology,  
Austin, Texas.

Dear Sir:

Armstrong Price called this morning to say that he would bring Tom Bailey to San Antonio the first of next week. He wants a meeting of our committee so that we can thresh out the Jackson-Frio problem. I hope you can be here. The exact time was not set, but it probably will be Monday. Dr. Price will let me know definitely later in the week, and I will notify you.

Yours very truly,

  
John R. Sandidge
